## Edinburg Historical Society

PO Box 801,  
Northville, NY 12134

[www.EdinburgHistoricalSociety.org](http://www.EdinburgHistoricalSociety.org)

The Edinburg Historical Society is accepting applications from area crafters and vendors for its upcoming Edinburg Fall Festival at the Nellie Tyrrell and Rural Museums. Old time demonstrations will be held at the Rural Museum, a bake sale and free horse and carriage rides by J & D Percherons.

The festival will take place **Sat., Sept. 28** from 10 am to 3 pm. A 10% commission of sales is asked as a donation to help to defray costs associated with these events. There is no charge for admission to the museums or the festivities.

Application forms are available on line at <http://edinburghhistoricalsociety.org>. Forms can be emailed to [aponi@frontiernet.net](mailto:aponi@frontiernet.net) or snail mailed to George & Andrea Blackwood, 4 Morris Rd, Edinburg, NY 12134.

For more information, contact George and Andrea Blackwood, 518 863-6772.

## EDINBURG TOWN REPORT

[www.edinburgny.com](http://www.edinburgny.com)

*by Jean Raymond*

### GOOD BY TO WINTER AND WELCOME SPRING

#### 2015 Highway Dodge Pick Up Truck Sold

The 2015 Dodge pickup truck has been sold through the online auction service of Auctions International. The high bid was \$26,100.00 for the truck. The sander and plow were not included in the sale. The town pays no fee to sell the vehicle, the purchaser pays the fee to Auctions International. The new truck was purchased through state bid for just over \$30,000.00 and we paid cash to the dealer.

#### Wheel Loader Grant Funds

The town has received the check for \$100,000.00 for the grant for the new Wheel Loader. This winter the loader was really helpful and we appreciate the grant arranged by Senator Tedisco.

#### Town Insurance Renewal

The town has submitted the application for renewal of the town insurance to the New York Municipal Insurance Reciprocal. This is an insurance company formed by municipal governments to provide affordable insurance to its members. The town has been a member for the last 6 years. This coming year they announced the premiums would remain the same as the prior year and increases in prior years have been minimal.

#### Driveway Permits Required By Town and County

Residents are reminded that prior to making a driveway cut from a county or town road a permit is required. There is no fee for the permit. Please contact the Building Department for information.

#### DEC Burn Ban

The

Department of Environmental Conservation has banned residential brush burning from March 16 through May 14 across New York State. Dec reminds residents that, with spring weather approaching, conditions for wild fires will become heightened. (Apparently they did not check the snow conditions in Edinburg)

#### Recycle, Reuse and Refuse Center

The Center will return to 9:00am to 3:00pm Friday hours on May 3, 2019.

## DID YOU KNOW THAT—

*by Town of Edinburg Historian,  
Priscilla L. Edwards*

### How many remember the following?

When each family only had one vehicle-if mom needed the car she took dad to work in the morning and picked him up at night [] Businesses only had one work shift per day-roughly 7am-4pm. [] Most stores were closed on Sundays [] Drivers courteously dimmed their headlights [] Men removed their hats and caps when going indoors [] Churches never had to lock their doors [] Vacation Bible School was held in every community each summer. Lots of fun! [] People said "Thank You" [] Younger folks showed respect for their elders even if their beliefs were different [] Wooden rulers were inscribed with the Golden Rule: "Do unto others as you would have others do unto you" [] The Lord's Prayer was recited in school every morning with the Flag Salute which had the new phrase added "One Nation Under God" [] Local newspapers hired reporters to cover local towns-even crossing county lines to include Edinburg [] Women set their hair in pin curls or rollers; tied a scarf on their head and ran errands [] There was only one type of Oreo-no double stuff or strange flavors and colorings [] The young man at the grocery store would help you out with your groceries [] Grocers stacked boxes of fruits and vegetables in front of their stores to entice customers [] On the week-end we took our garbage to the town dump on Fox Hill Rd-yes, it was a dump-with no attendant- but a great place to shoot rats []

### Remember When?

Someone passed away in the community a neighbor would take up a door to door collection to purchase a flower arrangement from all the neighbors [] Folks went fishing. As a kid I fished in the creek with a hardwood sapling for a pole with a piece of fishline and a hook. When a teenager I was given a bamboo pole that John Shufelt sold at his store at the 4-Corners. After I was married I acquired a fiberglass pole with a Zebco reel. Although I caught some 'yummie' bullheads with that pole I probably could have done as well with the old sapling [] The days before the "sexual revolution" and "all about me" generations of the 1960's and 70's [] Peacefulness before social media [] A power outage before the days of generators. If we had any idea the power might go out we'd fill jugs and pails with water. Kerosene lamps were used for lighting inside; lanterns and flashlights, outside. Some homes still had a wood stove for heat and cooking. If not, go to a neighbors' that did. [] Churches held delicious "fund-raiser" meals and Everyone Came [] Most kids worked each summer, you didn't just "hang out". If you didn't work away from home you worked at home-parents were great at coming up with projects. By the time September came many were happy to go back to school []

### Or When?

The national news media reported the news as it really was and not with a bias [] S & H Green Stamps and Popular and Signet Shopping clubs. In the early years of our marriage I acquired a lot of things for our home in this way [] Baby showers were held after the bridal showers [] Bridal and baby showers were simply held at a friend's home or church hall for a couple of hours on an afternoon or evening with simple desserts served. I still have and use 2 sets of Pyrex mixing /baking bowls that I received 60 years ago. Everyone was always

Lake Luzerne, NY 12846 (5mi. south of Exit 21, 1-87)

happy and thankful for whatever they received [] Round & Square dances at the firehouse when our firehouse was new. Dances were held there on a regular basis especially in the winter. It was a fun event for local folks to attend if you didn't want to go to a Bar & Grill. The late Cliff Canfield called most of the squares [] Silly Putty []

### Remember any of these?

The family's "good set of dishes" was always used for holidays and special events-now more and more folks use paper plates [] Family rides on Sunday [] Weekly family get-togethers to catch up on the latest news [] Dinner was the mid-day meal and supper was the evening meal-at least for country folks. Supper was the same time every night with everyone seated at the kitchen or dining room table. One needed a darn good excuse not to show up for supper. There was one variety of meal served and unless you had an extreme allergy-and hardly anyone did-everyone ate the same thing [] Parents made the choices and clothed their young children with what was appropriate for the time and place. In winter, especially, the adult in charge didn't let us out the door without being properly dressed. Even as teen-agers our parents had the last word [] It was best not to get into trouble at

school or on the bus as the punishment at home was worse than that at school [] The phrase "bullying" didn't exist yet but most of us took care of the problem on our own [] Many homes did not have indoor plumbing-just the little house out back [] The gas station attendant that checked your oil and washed your windshield while pumping your gas. One of the most pleasant attendants was the late "Skip" Wilson in Northville. Their motto should have been "we'll give you a smile today and send you on your way" [] Young men converting old cars or trucks into jalopies to be re-used—some road-worthy and some off-the-road [] Young men "dressing up" a vehicle with extra lights, mud flaps, hubcaps, etc. Once in awhile we see this yet. My grandson has "dressed up" his late grandfather's pickup [] Folks whistled a lot-not so much anymore [] only cuss words were heard from men and some women-not the vulgar language we hear today [] Encyclopedias [] Kids played all kinds of games outside even in the dark of night [] There were only 5 or 6 makes of cars manufactured and we could identify each one [] The B-24 bomber that flew into Plateau Sky Ranch Airport that locals called Brownell's Airport.

More remembrances another time

## Adirondack Floating Dock Shop

96 Northville Road, Edinburg, NY 12134

518-863-3365 office / 518-775-6426 mobile

## NORTHVILLE PUBLIC LIBRARY

*Michael Burnett*  
**Director 863-6922**

The Library will change to its Spring and Summer hours beginning Friday, April 5. At this time, through August, the library will extend Friday hours until 4 pm.

The Sacandaga Book Group will meet on Tuesday, Apr 9 at 10 am in the library's program room. Doris Guyon will lead a discussion of "Crazy Ladies of Pearl Street" by Trevanian. As legendary writer Trevanian lovingly re-creates the neighborhood (the Irish slums of Albany, NY) of his youth in this funny, deeply moving coming-of-age novel, he also paints a vivid portrait of a neighborhood, a city, a nation in turmoil, and the people waiting for a better life to begin. It's a heartfelt and unforgettable look back at one child's life in the 1930s and '40s.

### Hours:

#### April - August

Monday	9am - Noon
Tuesday	9am - 8pm
Wednesday	9am - 4pm
Thursday	9am - 4pm
Friday	9am - 4pm
Saturday	9am - Noon

The Friends of the Library Executive Committee has announced the dates of its summer fund raisers. The Mammoth Book Sale will be held July 4, 5, and 6 from 9 am to 5 pm, and the Ice Cream Social and Raffle is slated for Saturday, July 27; 5 – 8 pm.

The Friends have scheduled their Annual Meeting for Wednesday, July 10 at 7pm with Fulton County Historian Samatha Hall-Saladino.

Her program "Glove Capital of the World" will explore the history of the county's glove making from the early 18th century through today. Free tickets for limited seating will be available on a first come first served basis.

NCS Pre-K students have scheduled their annual visit to the library for May

7. Each student will receive his/her first library card and will experience a book read by Mr Burnett.

Watch for these titles to be arriving:

Redemption – David Baldacci

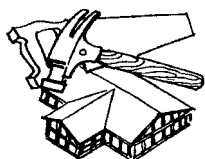

The Malta Exchange – Steve Berry

Wolf Pack – C J Box

Run Away – Harlan Coben

Blood Oath – Linda Fairstein

## Welcome Spring - How Sweet It Is!

The Maple in April Festival is a time to re-connect over the long, long winter, to welcome spring and our returning neighbors and friends, and to share the value our communities have to offer. For a family event that is both fun and educational, it's hard to top the 17th annual Maple in April Festival held along Rockwell Street, Hadley NY April 27 & 28. The two day festival begins with scholarship breakfasts each day at 8 a.m. and continues with lots of family fun activities and 'sweet' maple goodies.

There is much to see and do at the Maple in April Festival. Taste the sweetness of maple syrup on French toast and pancakes, maple cotton candy, maple popcorn and vote for your favorite maple flavor food at the Take A Bite of Maple Tradition Tent. Watch as the plein-air artists create their art on the festival grounds and then support them and the Hadley Business Association's Scholarship Fund at the Springtime Festival Silent Art Auction on Sunday. Listen to live music and performers in the Performing Art Tents. Participate in the Backyard Maple Syrup Makers Tasting Contest, if you make your own syrup and have less than 150 taps. Browse the many craft and food vendors, visit the kids' corner of activities with the bounce houses, balloon creatures and face painting, ride a pony, pet a goat, and snap a photo with a Zebra. Take a horse drawn wagon ride, learn about owls and hawks, and bring your furry companion to the Dogs Day Parade on Saturday, every breed of dog is welcome.

On Sunday take your 'lil' sugar' out for a drive to the Lil' sugar Dust-off Car and Truck Show at Hadley Smead Memorial Park, County Route 1 on Stony Creek Rd. Featuring JP Henderson's Professional D.J. Service, prizes and awards, the Next Generation Station, car vendors and 50/50 benefits the H.B.A. Scholarship Fund. \$10 pre-registration or \$15 at the gate.

The Hadley Business Association along with some community friends is planning this two-day family fun festival. The festival is an outdoor event with a few indoor activities so dress in the Adirondack layered style. There are no guarantees when it comes to weather, but the festival committee guarantees you that they will work hard to make the Maple in April Festival the best it can be. To learn more contact us via Email: hadleyba2003@yahoo.com or for more information visit facebook.com/MapleInAprilFestival

## Flower Talk

*by Sally Peck*

Will the Real Lily Flower please stand up? If you get that line, then I know how old you are not. :) There are hundreds of different true Lilies that all fall under the same *Lilium* genus. Any flowers called Lilies that don't fit in this group, such as the day lily or water lily, are not considered a true Lily. *Lilium* is a Latin term, derived from the Greek term *leirion*, which traces back through numerous civilizations to one of the first words for flower! This shows the importance of the Lily Flower through the centuries.

The *Lilium Longiflorum* is also called the Easter Lily because in Christianity it is a symbol of the resurrection of Christ. Also, according to legend, after Jesus' death and resurrection, these flowers were found growing in the Garden of Gethsemane where Jesus went to pray the night before His crucifixion. Legend also has it that these flowers sprung up where drops of Jesus' sweat fell as he prayed.

## “ Don't Let It Fall... Make The Call! ”

Ph: 518.762.5458 - Cell: 518.848.6725

terry@tsbcontracting.com - [www.tsbcontracting.com](http://www.tsbcontracting.com)

Roman mythology links it to Juno, the queen of the gods. The story goes that while Juno was nursing her son Hercules, excess milk fell from the sky. Although part of it remained above the earth (creating the group of stars known as the Milky Way), the remainder fell to the earth, creating Lilies. Across religions, these lovely white flowers symbolize purity and grace.

Before the 1940's, Lily bulbs were mostly imported from Japan. The supply of bulbs was suddenly cut off after the attack on Pearl Harbor and Easter lilies became extremely valuable in the USA. Currently, nearly all Easter lily bulbs used in America are grown in Calif., Oregon as well as Canada,

All Lilies emerge from a humble bulb, but old-fashioned and heirloom Lilies produce true seeds you can share with loved ones and friends to spread the beauty around.

When you get your potted Lily home, remove the anthers (the pollen / the tip of the stems that grow from the center of the bloom). In the flower business we call that "Picking their Noses". This can extend the life of the flower and prevent pollen

from staining the petals. Find a bright spot for it to grow (not intense sunlight) and avoid over-watering. Once your lily has survived the colder days of Spring, you can plant it outside and enjoy it throughout summer! Plant the bulb to the same depth it was in the pot, then add a few inches of mulch around the roots. Be sure to water thoroughly at the beginning and during periods of growth. Be patient, you may have to wait until the next summer to see a second bloom on some plants. Like the Lily, you can take a regal stance and embrace your own power. Remember that renewal is just around the corner and the end of one thing heralds the beginning of another.

Floriography: White Lilies are a symbol of purity, hope and life. The striped pink Lily known as the Stargazer means ambition and encouragement when faced with a difficult challenge. Yellow Lilies commonly symbolize good health and healing, while red blooms speak of passion. Remember, Trust your Local Florist, contact them direct. Avoid the impersonal Order Gatherers, (E-Commerce 'flower' dealers) with their middleman and added fee\$.

## Evening With The Chefs

Date: April 29, 2019 Time: 6:00 PM - 9:00 PM EDT

Soroptimist International of Fulton and Montgomery Counties announces that they have scheduled a fundraising event, "Evening with the Chefs," on Monday, April 29, 2019 at the Holiday Inn Johnstown-Gloversville, 308 N. Comrie Avenue, Johnstown, NY at 6:00pm. "Evening with the Chefs" is the group's largest fundraising activity of the year, with proceeds to go towards the group's scholarship program benefiting students in Fulton and Montgomery Counties. Annually the group awards \$10,000 to deserving students in the two-county region.

At the event, local chefs from some of the best restaurants in the area will prepare a variety of dishes for tasting – from appetizers, to entrees, to a great dessert bar. Chefs from the following restaurants are scheduled to appear at the event: Double Eagle Restaurant at Kingsboro Golf Club, Gloversville; Sam's Seafood Steakhouse, Johnstown; Vintage Café, Johnstown; Union Hall Inn, Johnstown; Lanzi's on the Lake, Mayfield; Hales Mills Country Club, Johnstown; Inn at the Bridge, Northville; Russo's Adirondack Grill, Broadalbin; Raindancer, Amsterdam; Salt, Broadalbin; Brass Monkey, Gloversville; Fox Run Golf Club, Johnstown; Nicolino's, Amsterdam;

More chefs and restaurants to be announced. There also will be an array of raffle baskets and silent auction items available. Premier Sponsor for the event is NBT Bank.

## Sacandaga Valley Arts Network

PO Box 660 Northville, NY 12134

SVAN Fundraiser at The Revival in Wells

Callin' all cats and kittens! Are you smooth like Frank, or cool like Dino?

Join SVAN and Sacandaga Musical Theater for "Swingin' on a Sunday"

A Dessert Cabaret at The Revival in Wells on April 14th at 3pm.

This cabaret features the talents of SMT's roster of performers singing some favorite lounge tunes from throughout the decades. Tickets are \$10 a person and include dessert and performance. This cabaret is a fundraiser for our summer show, the musical "Chicago." Reservations strongly recommended.

Call 518-420-9591 to reserve your tickets.

**Ad & Copy Deadline  
is the 17th of Every Month**

## PICKLE IN THE PARK

Pickleball is the fastest growing sport in the USA. The game is played with a whiffle ball and a paddle, on a court half the size of a tennis court. It is usually played doubles (4 players). It is easy to learn, social, intergenerational and fun to play and watch. All you need are court shoes and a paddle. There are pickleball videos on YouTube.

Pickle in the Park is a membership club in Sacandaga Park. Access to the courts and parking is off Rt30. We have 6 courts, about 30 members and play most summer days — weather permitting. Guests are welcome; either come with a member or make prior arrangements by calling. Club members provide informal skills development for newbies. We have spare paddles. The annual membership fee for 2019 is \$125; guest fee is \$5 per day. Open House on Saturday June 29, 11am to 3pm. For further info call Willem at 518 332 6896.

## Sacandaga Garden Club

Hello Everyone

The Sacandaga Garden Club wishes everyone, a wonderful and growing Spring. Despite the snow, Spring started on March 21st.

On March 22nd, the Garden Club journey to the Capital Home and Garden show. Everyone had a great time.

On Thursday April 4th, the Garden Club will start up with our meetings, our workshops and educational presentations. All are welcome to join us. New members are welcome and guests are always welcome.

On April 4th, the Garden Club will be presenting a seminar on Growing Gladiolas at 100pm at the

Northville Public Library. The Cooperative Extension speaker will discuss how to choose Gladiolas, how to grow them and how to show Gladiolas.

In August, the Garden Club will have a non-juried Gladiolas show at the Northville Public Library. You will be able to see the results of our Gladiolas presentation.

On Thursday April 11th, the Garden Club will be having a Homebound Easter Workshop. Every Easter Season, the Northville Presbyterian Church and Sacandaga Garden Club join together to create and distribute Easter Boxes. These Boxes contain fruits, assorted candies, snacks and small floral arrangement for the Homebound and Nursing Home residents of our communities. These Boxes will be delivered on April 17th by members of the Presbyterian Church.

All are welcome to join us to make these arrangements. The Sacandaga Garden Club hopes this Spring will be productive and fruitful in all of our big or small gardens. Enjoy the Season.

## Defensive Driving Courses for 2019

Tuesday and Wednesday, May 14 and 15, from 8:30-11:30am; Tuesday and Wednesday, September 10 And 11, from 8:30-11:30am at Edinburg Community Center, 47 Military Rd. Edinburg. AARP members bring in your membership ID for discount rates. Brian Griffin will be host for both courses. He can be reached at 518-924-2216. Sacandaga Seniors will meet May 10th and 24th at 1pm. at the Edinburg Community Center. The Edinburg School students will present a concert for the Seniors at the May 24th meeting Hope to see you there!

## EDINBURG VOL. FIRE CO.

*by Brian DeFeo*

The Fire Company has been kept busy over the course of the first few months of the year, with a total of thirty-two calls as of March ninth.

Many of our calls were to provide mutual-aid to our neighboring fire departments, with eight calls to Northville and seven for Providence.

Some of the additional calls included: one rescue, three power lines, two structure fires, two EMS lifting assistance.

We would like to take this time to send a thank you out to those motorists whom make our job just a little easier by yielding the right-of-way when we are responding to emergencies. Our driver's have a lot on their minds when responding to a call. Your attention and cooperation is always appreciated.

One of the least discussed and perhaps most preventable residential fires, is the result of clothes dryers over heating. Your dryer may be susceptible to over heating if you do not clean out the lint trap after every single load. Much like a chimney, it is also important to determine there is no lint buildup in the vent piping leading out of the house and that the vent opening is not partially blocked where it leaves your home.

Recognize that any appliance which generates some form of significant heat, is a potential ignition source. Never leave it running when you are away from your house. Hopefully you wouldn't leave your stove going yet how many of us start the dishwasher (heat cycle) and think nothing of it, then head out for some activity or to work.

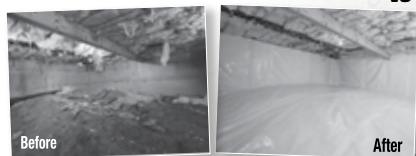

A little common sense will go a long way to keeping your home safe for years to come.

## Recipe for Success: A Workshop for Food Entrepreneurs

Thursday, April 11, 8:30-4:30, Cornell Cooperative Extension, 50 West High Street, Ballston Spa, NY. Fee: \$65, including lunch. Register by April 8.

If you're thinking of making and selling a favorite recipe, or even if you already have a small food business, the presenters of this program can give you guidance. Their experience and expertise in licensing a food product, processing, packaging, marketing, pricing and selling are an invaluable resource. The program also includes the basics of successful small business management. Current or potential food entrepreneurs are encouraged to attend.

The workshop will include speakers from Cornell University Food Venture Center, NYS Department of Agriculture & Markets, NY Kitchen Company Food Consultant, SCORE Business Marketing and Counseling, Healthy Living Market, and more.

Use this link to register for Recipe for Success <https://www.eventbrite.com/e/recipe-for-success>

## Edinburg Emergency Squad News

### CALLS:

February

7 calls, all in Edinburg

154 miles

57 man hours

BINGO is NO longer at the Fire Dept. building, it is now being held at our Squad Building at 30 North Shore Road. Wednesday nights 7pm. Won't you come join us for some fun, food and a chance to win

### MEMORABILIA

Do you have any pictures, stories or history you can share as it relates to our Emergency Squad? We'd love to hear from you - please call Jay at 863-2674

### MONTHLY MEETING

Our next monthly meeting will be held on APRIL 1st, 7:00pm at the Emergency Squad building, 30 North Shore Road, come check us out. ARE YOUR HOUSE NUMBERS VISIBLE TO EMERGENCY CREWS FROM THE ROAD?

Occasionally there are times when emergency response teams lose valuable seconds searching for house numbers while responding to a call, and believe it or not, many are not visible from the street.

Please take the time to make sure that your numbers are CLEARLY visible (both day and night, it's much worse at night).

In an emergency, SECONDS can make the difference between life and death.

*Sacandaga Valley Arts Network*

PO Box 660 Northville, NY 12134

Donal Conn is SVAN's Featured Artist. The Sacandaga Valley Arts Network (SVAN) announces a new exhibition by photographer, Donal. The exhibit, "Found in Translation", at the SVAN Gallery located in the Northville Library at 341 South 3rd Street in Northville, NY is on display commencing May 1, 2019 and continues through June 28. The public is welcome to enjoy the photography on exhibit and available for purchase. A meet-the-artist reception will take place at the Library in May. Check the SVAN Arts facebook page or the website, [www.svanarts.org](http://www.svanarts.org) for the date of the Meet-the-Artist reception.

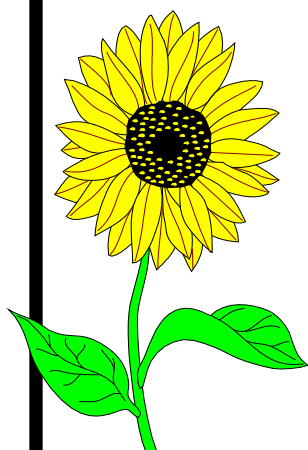

Saratoga Springs native Donal Conn can frequently be found in far-away corners of the planet documenting the cultures, wildlife, colors and shadows of distant lands. His award-winning nature and travel images have appeared in both print and digital formats for such prestigious publications as National Geographic, Smithsonian,

Country, Adirondack Life, Cape Cod Life, and Yankee Magazine as well as in multiple editions of in-flight magazines for both Thai Airlines and Lufthansa. They are also currently featured in promotional materials for the Weather Channel and New York State's ILOVENY campaign. In addition to his commercial work, Donal's fine art photography can be found hanging in galleries, public places and private collections around the world from London to Shanghai to Berlin to Montreal.

Donal's photography explores the profound connection between language and the way we choose to see our natural surroundings. What we notice. What we cherish. What we choose to ignore. What we celebrate. And the everyday beauty around us that we often take for granted. By applying global cultural perspectives to his award-winning nature and wildlife images, Donal's work will force you to view familiar images from new perspectives – both literal and figurative. Whether you're admiring Adirondack maple trees as a Japanese tourist might, listening to the low rumble of a freezing Sacandaga Lake through Inuit ears, seeking the wisdom of Mongolian ancestors

### GO FOR WHOLE GRAINS

Brush up on your knowledge of what healthy eating really means! According to the United States Department of Agriculture, a healthy diet involves eating all five food groups including fruits, vegetables, grains, protein and dairy.

The 2015-2020 Dietary Guidelines For Americans recommends adults consume a variety of fruits and vegetables, switch to non-fat or low-fat dairy products, limit added sugars and saturated fats, and shift towards eating more whole grain foods. Specifically, about half of all grains consumed should be whole grains.

So, what's the difference between a whole grain or a refined (also called processed) grain? A whole grain contains the entire grain kernel and is made up of three layers including the bran or outer layer, the endosperm or middle layer, and the germ or inner layer. According to the Dietary Guidelines For Americans, the outer layer is rich in fiber and contains B vitamins and trace minerals, the middle layer contains carbohydrates and some proteins, and the inner layer is filled with many nutrients including antioxidants, Vitamin E, B vitamins and healthy fats.

Unlike a whole grain, a refined grain is processed, meaning parts of the grain are removed. A refined grain only contains the endosperm, or middle layer, so much of the nutrients that benefit your body are taken away when grains are processed.

Eating whole grains along with a healthy diet can help reduce the risk for developing some chronic diseases like heart disease or diabetes. To add more whole grains to your diet, the United States

Department of Agriculture recommends these tips:

**Make Simple Shifts** – Try choosing 100% whole grain bread, bagels, or pasta instead of white bread, bagels or pasta. Change one or two things at a time until you've made half of your grains whole grains. **Check The Label** – Read the ingredients list to be sure you're choosing whole grain foods. Foods that are 100% whole grain usually list whole grains as the first ingredient or the second ingredient, after water.

**Have A Whole Grain Snack** – Popcorn is a healthy whole grain snack when made with little salt and no butter. Other whole grain snack options include whole wheat or rye crackers and brown rice cakes.

**Modify Your Baking Recipes** – Try substituting buckwheat or oat flour in your favorite pancake or waffle recipes in place of white flour.

**Plan Ahead** – Cook extra brown rice or quinoa during your free time and refrigerate half of it to enjoy later in the week. This makes it easier to add extra whole grains to your meals.

For more information on nutrition, talk with your healthcare provider or call Littauer's Outpatient Nutritional Counseling Services at 518-773-5387 or HealthLink Littauer at 518-736-1120. We're your community health & wellness service of Nathan Littauer Hospital and Nursing Home.

**WELCOME TO THE ADIRONDACKS**

Northville kicking off waterfront revitalization plan with state grant

Recently the Village of Northville was notified it was the recipient of a \$72,000 grant from the Department of State for the creation of a Local Waterfront Revitalization Plan (LWRP).

The basis of the grant application is the revitalization of Hunter Lake, also known as the Northville Little Lake. Additional renovations include: the creation of a walkway across the village spillway located on South Main Street between Hunter Lake and the Great Sacandaga

Lake; the dredging of Hunter Lake to remove years of build-up silt; and the creation of a linear park adjacent to Water Street. Each of these projects were identified in Northville's recently created comprehensive plan.

"We are very excited to be getting started on this very important project. The creation of the LWRP is a vital step in the development of the village," states Northville Mayor John Spaeth. "The Waterfront Revitalization will only help build upon the unique destination Northville truly is in the southern Adirondacks and enable us to continue growing as a tourist destination hot spot. Ultimately, it will help create a more sustainable economy within the village, town and county."

The village of Northville has contracted Elan Planning, Devine and Architecture of Saratoga to write the LWRP. The creation of the plan will be overseen by an advisory committee made up of community members and officials from various agencies that will be involved in the process. This committee will begin its work on Monday, March 11 when they hold their initial meeting. This team will determine the full scope of the plan and projects that will be included.

## Edinburg United Methodist Church 3 North Shore Road, Edinburg, NY

### Easter "A Time to Reflect"

On Easter Sunday Christians celebrate the resurrection of Jesus Christ from the dead after his crucifixion and burial. It is the most well attended Sunday Church service of the year.

The week preceding Easter is called the Holy Week. This week begins with Palm Sunday, the celebration of Jesus Christ's triumphal entry to Jerusalem. Maundy Thursday is the commemoration of the Last Supper when Jesus shared the Passover meal with his disciples on the night before he was crucified. Lent began on Ash Wednesday and lasts for forty days and was modeled after Christ's forty days in the desert.

During this time Christians set aside the forty days to examine our lives and conform to God's will. Christian holidays encourage one to take time to reflect on all that God has done for us through his son Jesus Christ. Palm Sunday service is on April 14 at 9:00 AM. A Special Maundy Thursday Service is on April 18 at 7:00 PM. Easter Sunday Service is on April 21 at 9:00 AM.

Our Hearts, our minds and our doors are open to all. Come join us for your Holiday week services.

**"We Do Have The Technology"**

*Written by Capt. Stephen George,  
Secretary; Chair Member GSLFF*

### Greetings from the GSLFF!

As March winds down and the walleye and pike season closes, we can look back and see that the Great Sacandaga Lake (GSL) has produced some great fish this winter. Big pike and perch were once again are the highlights of many of the contests and outings. The GSL produces some of the biggest pike and yellow perch in New York and we are blessed to have this fishery right here in our backyards. Even though ice fishing has been exceptional, when the weather cooperated, I know a lot of anglers are looking forward to open water fishing and getting their boats out, me included.

A little recap of some of the various contests: the Walleye Challenge and concurrent GSLFF (Federation) contest were both huge success's with the weather being just about perfect. The Federation had 375 adult and 18 youth entrants and the Walleye Challenge sold out with 1,750 entrants quickly. Anglers from 10 states and 42 New York counties participated, that's pretty impressive! First place winners for the GSLFF contest were Cam Oathout with a 40 7/8" pike, Josh Rigo with a 20 1/8" brown trout, and Dom Demaria with a 14 3/8" yellow perch. The Fuel-N-Food 3-Day contest saw perfect weather for any type of outdoor activity. The lake was full of anglers and some great fish were brought in. The next GSLFF open-water contest will be held on May 4th. This coincides with opening day of walleye and pike. The trout bite should be good too. Something new and exciting this year, the Federation will be holding its 1st Annual Bass (only) contest on July 20, 2019. The rules will follow all other bass tournaments with prize money being paid out for the "total weight" of fish. Several places will be paid and we are looking into a youth division as well. The weigh-in location will be at Sport Island Pub.

A huge thank you to Jeff Trojan for donating

## From Previous Page

\$1,000.00 toward walleye stocking this fall. The contests have also generated thousands of dollars toward fish stocking, which will include both walleye and trout. The spring trout stocking will be held around the end of April at various locations around the lake to spread the fish out. Keep in mind that tagged trout are worth \$500 during the May contest to GSLFF members and \$750 to members on the day of the contests. I always run rigs specifically for trout with hopes of getting a tagged fish.

My opinion based on the water levels this month is that we are going to have great walleye and pike spawning conditions this spring. The creeks will be running high from the deep snow pack in the mountains and the shallow edges of the lake will be inundated and are perfect for pike. We have been seeing a lot more weed growth in protected shallow bays and lots of bait throughout the summer. Bait fish at Cranberry Cove were found under the docks all summer and it made for great fishing along the shoreline. Some bait fish such as fatheads, will spawn several times throughout the summer. The abundance of bait in the lake is a win-win for the fish and the fishermen. Having a variety of forage fish will keep the bigger fish healthy and fat.

Remember to shop local and hit up Ross's Bait, Jim's Bait, Frank's Gun Shop, Harnish Outdoor Supply, and Fuel-N-Food for bait, tackle, snacks and GSLFF contest flyers. These guys know the lakes in the area well and are constantly getting fishing reports from anglers. The local Gloversville Chapter of Clearwater Trout Unlimited (TU) will be continue to meet at the Broadalbin Hotel the 3rd Thursday of the month at 5:00 PM. Current TU members, and non-members are welcome. Check out their facebook page for updates. The meetings include fly tying instructions, fishing reports, book reviews, and other fishy stuff. The group is scheduling fishing trips to the Beaverkill, Delaware, and the Batten Kill this year. TU is not a "fly fishing exclusive" group, if you fish for anything using any methods, you're welcome to join.

The Federation welcomes and encourages new members. If you are also willing to donate a little bit of time to give back/pay-it-forward, and make the GSLFF and the lake a better place, come on over. As the word gets out about the great fishing through social media, the fishing pressure increases, the number of anglers grow, and it's our responsibilities to manage and maintain this unique fishery so it remains productive for us and the future generations of anglers.

GSLFF meetings are held every 3rd Tuesday of the month at 7pm at the Fish House Fish And Game Club located at 478 Fayville Rd, Broadalbin, NY. Additional Information can be obtained at our Website [www.gslff.com](http://www.gslff.com) or their facebook page.

Tight lines everyone!

## TOPS 1005 Northville

We are so excited about Spring and getting this awful Winter behind us! We are also looking forward to seeing all our members back for the spring/summer! We have had a core of members attend our meetings during these past few months!

Our meetings are a time to share weight loss successes and challenges without feeling

uncomfortable. At TOPS, everyone has different health issues and weight loss goals. Your personal health care professional is the one that takes into account your individual requirements and advises you about an appropriate food plan...your TOPS chapter provides the ideas and support to help you achieve your plan!

At our meetings we talk about so many different and pertinent topics!

Arden Detweiler spoke about the benefits of dark cherries and dark cherry juice and brought in some juice for everyone to try. The health benefits are that it has melatonin, it helps metabolize fat, it has a low glycemic index so it won't spike blood sugar, and it helps people with gout. 1/2 cup of cherries or cherry juice and it must be tart cherry juice per day causes a 35% decrease of a gout attack. It is also influential with dementia, and muscle recovery after workouts.

At another meeting, Fran Sculley discussed the Mediterranean Diet with the basics of healthy eating: some of these include:

- Eating plant-based foods, such as fruits and veggies, whole grain, legumes
- Replacing butter with healthy fats such as olive oil and canola oil
- Using herbs and spices instead of salt
- Limiting red meat to no more than a few times a month

We all struggle with exercising, losing or maintaining weight! Our chapter gives us the support that is needed to go through this life journey.

Join us at TOPS NY 1005 Northville on Tuesdays!

Weigh in's have started at 1pm during the Winter months with the meeting beginning soon

after. Please call the number below for more information!!

We meet at the Bradt building and the first meeting is free.

Call 774-9243 or visit us at [www.tops.org](http://www.tops.org) on the web.

See you lighter!

## Northville United Presbyterian Church News

Living an hour's drive away, I sometimes miss Sunday services at my beloved Northville Presbyterian Church, and instead, I wind up worshiping nearer to home at my wife's church in Schenectady's Stockade neighborhood. For me, (someone who looks for the positive side of everything) this presents the blessing of belonging to two diverse, wonderful extended families of faith.

However, one unfortunate result is my missing some awesome services that can only be experienced through the subsequent excited descriptions from my Northville friends. One example is our Pastor Becca's presentation of the Children's Sermon during a recent Sunday service. The promise of new life was celebrated by Becca leading the children in a seed planting exercise... culminated by "planting" paper cutouts of the word Hallelujah in the planting pots. This symbolized the avoidance of singing or saying the word throughout Lent. This was done with the knowledge that it will come back on Easter Sunday, when the Church will ring with shouts of "Hallelujah" and songs of great joy.

Overlooking the many dirty child-sized and also pastoral hands and the scarcity of cleaning towels, the fun was had by all, children as well as adult congregants: all while experiencing the lesson of renewal and Easter-season hope.

# Hallelujah

Another example is the existence of a wonderful Lenten Devotional Booklet, prepared primarily by a devoted, long-time member, Jane Ferguson. Since Lent is nearing its end, I have a lot of reading and praying to catch up on through this booklet. Who knew? But better late than never that I found this gem of our congregational worship guide.

Several significant dates and events are notable this year, as in the past, concerning our Church's celebration of the death and resurrection

of Christ. Maundy Thursday, (Maundy means washing) represents the day Jesus emphasized and demonstrated humility by washing the feet of his disciples. It also marks the celebration of the Jewish Passover meal, during which the Christian Last Supper began and continues as a celebration of Communion with the Lord through recognizing the ultimate sacrifice of Jesus' body and blood.

While there will be no services on Maundy Thursday this year, but on Good Friday, April 19th, a combined Maundy Thursday and Good Friday service will be held at 7pm at Northville's First United Methodist Church. During the day on Good Friday and Holy Saturday, we traditionally observe a period of reflection of Christ's crucifixion with silence. Our church carillon normally plays music three times per day, but it will remain silent on Good Friday and Holy Saturday as we remember the unjust execution of Jesus at the hands of humanity.

Easter Sunday is when our anticipation is fulfilled by the miraculous and joyful resurrection. It will be celebrated this year in a joint Easter Sunday service with our friends of the Northville First United Methodist Church. We are currently planning to conduct this service as a daybreak service. The rising Northville sun fulfilling "God's re-creation of the new day" as Eleanor Farjeon's beautiful 1931 hymn, "Morning Has Broken" observes. This year it is planned for sunrise (roughly 6am) but please check either Pastor Becca or Pastor Amy for the exact time and location as plans are finalized.

Please join us, along with good people of all religious faiths and denominations, in praying for peace and reconciliation of all peoples of the world, this Easter season and beyond.

(Personal thoughts and views of Northville United Presbyterian Church Elder Frank Ralbovsky)

## First United Methodist Church

301 South Main Street, P. O.  
Box 476, Northville, NY 12134  
Church Phone: 518-863-4911  
website: firstumcnorthville.  
weebly.com Sunday Worship,  
11:15 am  
Rev. Amy E. Winnie, Pastor

Greetings and Happy Easter from the members and friends of First UMC. Even though it is mid-March at this writing and we have had a small taste of spring, many of us still have mountains of snow on our yards. That makes it hard to "think spring"! However, we have walked through the season of Epiphany leaving Christmas behind, received our ashes on Ash Wednesday, moved our clocks ahead, and have begun our journey through the season of Lent. It is a time for inward reflection and a time to walk with Jesus to Jerusalem, shouting our Hosannas and waving our palm branches; we will pray with him in the garden and try not to fall asleep and we will try not to deny him when the rooster crows. We won't quite understand why he has been condemned to death and why a crown of thorns has been pressed onto his head but we will remember the Last Supper Jesus spent with the disciples and we will watch in horror as Jesus is nailed to the cross. We will weep with Mary at the foot of the cross on Good Friday and our hearts will stay silent on Holy Saturday. We will rejoice on Easter Sunday as we remember the stone that was rolled away to reveal an empty tomb. The miracle of Easter is the empty tomb ... Jesus' resurrection

from the dead, as promised. Death on a cross to fulfill the prophesies in the Old Testament and the promise of eternal life if we just believe.

Come walk with us through the remainder of Lent and rejoice with us on Easter Sunday. Some of our holy week services are ecumenical and shared with our Presbyterian brothers and sisters:

### Holy Week Services:

April 14 – Palm Sunday, regular worship at First UMC, 11:15 am

April 19 – Ecumenical Good Friday Service, 7 pm; at First UMC (there is no Holy Thursday service this year; Pastors Amy and Rebecca will integrate that tradition commemorating the Last Supper with the Good Friday service)

April 21 – Ecumenical Easter Sunrise Service, 6:30 am; hosted by the Presbyterian Church, location TBD

April 21 – Easter Sunday, regular worship at First UMC, 11:15 am

In addition to the Holy Week services, Pastor Amy's congregation at the Fonda-Fultonville UMC will have a Lenten Service on March 20, 7 pm, at the Truck Stop of America located in Fultonville just off Thruway exit 28. All are invited.

On March 31, First UMC will have a special offering for UMCOR Sunday. United Methodist Committee on Relief (UMCOR) is a remarkable arm of the United Methodist Church that responds to disasters around the world. Currently, UMCOR is responding to tornadoes, floods, and hurricanes in our own country. Locally, they have assisted folks in Schoharie County as they recovered and continue to recover from devastating hurricane damage. First UMC is a consistent supporter of UMCOR throughout the year where 100% of all money donated goes to disaster relief. On UMCOR

Sunday (formerly known as One Great Hour of Sharing), all contributions go toward the administration of the organization. It is the only contribution designated for this use. Please join us as we support this mission and share a soup and bread lunch following worship.

All children are invited to enjoy our Sunday school program - F.R.O.G.S. (Forever Relying On God's Son).

Facebook

We meet at 11:15 am on Sunday mornings in the sanctuary and are dismissed for time together following a moment with the pastor during worship. Call the church if you have any questions about our Sunday School program.

Thrift Shop Hours are: Tuesdays, 3:30-6:30 pm; Fridays and Saturdays, 9 am-12:30 pm. We accept CLEAN gently worn clothing, free of animal hair, stains, tears, and cigarette smoke. We appreciate donations from the community but respectfully request that these guidelines be followed. If you are interested in volunteering for this mission outreach project, please let us know. New workers are always welcome.

Scouts meet weekly at First UMC on Thursdays at 6 and 7 pm, TOPS (take off pounds sensibly) meets on Wednesdays at 5:30 pm Choir rehearsals are Thursdays at 6:30 pm

Our worship services take place in the dining room through the winter months, where the atmosphere is cozy and casual. Our choir is still singing and the flutes are still playing! In the event that inclement weather forces a church closing, Pastor Amy will put a notification on TV channels 6, 10 and 13. We look forward to returning to our beautiful sanctuary in time for Palm Sunday. Easter blessings to you and your family.

## Mountain Valley Hospice Seeks Nominations For The Nancy J. Dowd Humanitarian Award

Award Presented in Memory of MVH's First  
Executive Director

Mountain Valley Hospice (MVH) seeks  
nominations for its second annual NANCY J.

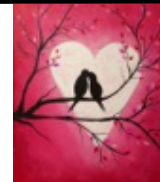

DOWD HUMANITARIAN AWARD (NDHA), given  
in memory of MVH's first Executive Director.  
The award was established to honor the positive  
influence that Nancy Dowd made in the lives of  
those she touched and to acknowledge those who  
are following in Nancy Dowd's example through  
their humanitarian efforts. The award will be  
presented at an event scheduled for September 3,  
2019 on the MVH campus, located at 108 Steele  
Avenue in Gloversville, NY.

Individuals and organizations are invited  
to submit entries for an individual for his/her  
outstanding achievement, leadership, and vision  
in providing important humanitarian services to  
the community, or for improving the quality of life  
for individuals and families living in the Mohawk  
Valley. Nominations should include a description  
of how this individual has made a difference in  
our region. Nomination criteria is available on the  
MVH website at [www.mvhcares.org](http://www.mvhcares.org). Deadline for  
nominations is May 31, 2019.

NDHA Task Force Chairman and MVH Board

518-863-3174

Vice Chair Patrick Dowd said of the award, "We are proud to be able to present this second annual award in honor of my mother, Nancy, who was widely known for selfless giving to anyone in need but especially to the patients and families she helped support through Mountain Valley Hospice. My family and I are very proud of her career and the work she put into the creation of MVH and the Hospice Home named in her honor."

Gloversville native Ellen Wood, a community volunteer and Chair of MVH's first Capital Campaign, was the first recipient of the Nancy J. Dowd Humanitarian Award, presented in August of 2018.

For more information about the award and its criteria or about Mountain Valley Hospice's services, please visit the Mountain Valley Hospice Facebook page (facebook.com/MVHcares/), its website at [www.mvhcares.org](http://www.mvhcares.org), or call (518) 725-4545. Nominations for the award can be sent to [kara.travis@mvhcares.org](mailto:kara.travis@mvhcares.org).

The mission of Mountain Valley Hospice is to enhance the lives of those we serve by supporting what matters most to them. Mountain Valley Hospice supports patients and families in the Fulton, Montgomery, Saratoga and Hamilton Counties of New York State.

## Tedisco Helps Launch “Send It HDR III App” to Enhance Safety on Great Sacandaga Lake

Honor Henry D. Ross III Memorial Fund  
Senator Tedisco presents NYS Senate Citation  
to Mayfield family whose son tragically died in a  
snowmobile accident, and in whose memory “Send  
It HDR III App” was created

Mayfield— Senator Jim Tedisco (R,C,I,REF-  
Glenville) today at Lanzi’s on the Lake in Mayfield,  
joined with local officials and members of the  
community to help support the launch of “Send  
It HDR III App” to enhance safety on the Great  
Sacandaga Lake.

The “Send It HDR III App”, is named for the  
late Henry D. Ross III of Mayfield, who tragically  
lost his life in December 2016 in a snowmobile  
accident on the Great Sacandaga Lake. The “Send  
It HDR III App,” which uses GPS technology,  
allows mobile phone users to alert each other  
of hazards on the lake and eventually for off-  
road snowmobile activities. The “Send It HDR  
III App” is available in the Apple Store and for  
Android phones. It was made possible thanks to  
the fundraising efforts of the Henry D Ross III  
Memorial fund and with support of the community.

Tedisco presented a New York State Senate  
citation to Henry D Ross III’s parents Maria  
and Henry (nicknamed Beaver) in recognition of  
their outstanding efforts to make the 49th Senate  
District a safer place and ensure that what  
happened to their son does not happen to others.

“The ‘Send It HDR III App’ will help make  
snowmobiling and outdoor recreational activities  
safer for users who enjoy winter activities on the  
Great Sacandaga Lake. The Ross family, with their  
many friends and supporters, have turned their  
personal tragedy and the loss of their son Henry,  
into a mission to help others enjoy the Adirondacks  
and outdoor activities safely and represent what  
makes the 49th Senate District a wonderful place  
to live, work and visit,” said Senator Jim Tedisco.

There is so much great Christian music these days. I love praise music and really appreciate our church's praise team who lead us in worship. But, the old hymns we sing in church are special, too. Most hymns have great theology and draw us closer to God. "Holy, Holy, Holy" lifts us Heavenward. One of the most uplifting parts of worship on Easter Sunday is the music. As you celebrate Jesus' death, burial and resurrection this month meditate on the great words in this song. "Up from the Grave He Arose!"

Up from the grave He arose; with a mighty triumph o'er His foes;

He arose a victor from the dark domain, and He lives forever, with His saints to reign.

He arose! He arose! Hallelujah! Christ arose!

This is what Christianity is all about.

Worshipping the one who AROSE! Jesus had victory over sin and death that day! Hallelujah! He took our place and paid for our sin. And because of that, we can attain eternal life with Him, if we repent and believe on Him alone. You can't work hard enough to get in to Heaven. (The work part comes after salvation.) The Bible says salvation is a gift. Doesn't get any better than that! Turn to Jesus today and receive His free gift of salvation, if you have not already.

April 14, 2019, the week before Easter Sunday, will be a big day at Northville Baptist Church. Besides being Palm Sunday that day, our new Associate Pastor, Andrew Larson, will be ordained to the ministry. We thank God for bringing the Larson family our way last year. Hope you have had the opportunity to meet Andrew and Sara and their children: Oliver (5), Olivia (3) and Hugh (1½). If you haven't met them yet, Andrew preaches the 2nd Sunday of the month, so come out to meet them and hear the message God puts on his heart. He's an excellent preacher! You are also welcome to attend the special ordination service at 5 PM on the 14th.

Cell - 775-3566**

On January 1, 2020 Andrew will become our new Sr. Pastor as my husband Rick and our Associate Pastor, George Hopper, will both be retiring from their positions at the end of this year. In August 1987 we moved from our church in the Corning NY area to Northville Baptist Church. (Never dreamed we would be here so long!) And just in case you are wondering, we are staying here. (Yup, you're stuck with us!) In fact, we recently purchased the parsonage at 315 Van Arnam Ave, where we have raised our five kids these past 32 years! We are so thankful for God's provision and leading.

A little church history here: our church started in 1802, when President Jefferson was in office. WOW! God is faithful! We are very excited about the future of our church as we move forward, sharing the Good News of Jesus Christ and as we strive to faithfully serve Him. We are presently looking and praying for a new Associate Pastor to hopefully join Pastor Andrew by 2020.

When we came in 1987 we followed Sr. Pastor Craig Adams who served here for 17 years and was moving to Long Island to take another church. We joined Youth Pastor Kevin Schwan who was preparing to move that September from Northville to take a church in New England. Pastor Dan Krodel came on board in 1988 to become our Youth Pastor. He served until 1995 and moved to PA to minister at a new church. Then Pastor Paul Blake ministered here as our Youth Pastor from 1995-1999. Pastor George Hopper came on staff as our Associate Pastor in 2003. He was formerly the Director at Sacandaga Bible Conference. We are thankful for God's goodness to us and our church over these 32 years!

Hope you can make it out to church soon. Easter is a great time to start attending church! Our desire is to love and encourage you to live for Jesus. See ya' in church!

Sunday: Sunday School (8:45 a.m.) Worship (10 a.m.) Youth Choir (11:15) Evening Service (6 p.m.) Man-Up Bible Study @ BCON Corner (7:30)

# Edinburg School News

## Edinburg School Happenings by Ms. Kimberly S. Hromada, Superintendent

### WELLNESS CORNER:

As spring is approaching fast, or so we hope, comes new seasonal produce. What is available in each area will vary by the growing conditions and weather. Fruits and vegetables are great sources of vitamins and minerals that our bodies need. Remember that fresh, frozen, dried and canned all count in getting in your fruits and vegetables. Some seasonal produce for spring are apples, apricots, asparagus, avocados, bananas, broccoli, cabbage, carrots, celery, collard greens, garlic, kale, kiwifruit, lemons, lettuce, limes, mushrooms, onions, peas, pineapples, radishes, rhubarb, spinach, strawberries, swiss chard, and turnips.

So the next time your in the store, pick out something that you haven't had in a while or try something new. Having your children help make healthy choices can be fun and will encourage them to want to try something new and different. Look for new recipes to make with your children for even more fun.

### MUSIC IN OUR SCHOOLS:

Come and see the ECS Drama Club's production of the John Jacobson and John Higgins musical called E-I-E-I Oops! Shows are on Friday, April 5th at 7:00 P.M. and on Saturday, April 6th for a matinee performance at 3:00 P.M. Come and see our cute, funny, and high energy show where the our local barnyard animals help our cow feel confident enough to "moo" again. It's a fast-paced story that will touch hearts of the young and young at heart. A great family outing. Admission is free!

### STUDENT COUNCIL CORNER:

The Student Council has been collecting pull tabs for the Ronald McDonald House. Each pound will be counted for a certain amount of money. The Ronald McDonald House is a place where families

can stay while their sick child is cared for. While there, families are fed. There are also toys and games available. March 14th was our official ending date, but we always have a container in the front office for pull tabs.

Another thing we are doing is the can food drive. We will be holding the can food drive to fill The Blessing Box and then we will also be giving some food to the Northville Food Pantry. Thank you for your donations.

We have a "Marker Junk Yard" for all the dried up markers. We will be recycling them to Crayola. Student Council has many more ideas that we will be hosting in the upcoming months.

### E.C.S. JUNIOR ACHIEVEMENT:

Junior Achievement is a brand new program that was brought to ECS this year. This month we are highlighting grades 3-6 The four programs are called Our City (3), Our Region (4), Our Nation (5) and Global Marketplace (6).

In the 3rd grade program we have talked quite a bit about why we pay taxes to a city and how people use different methods to pay for their goods and services. The program was based around our city so we decided to put Edinburg and Northville together and come up with our own city called "Northburg". The 3rd graders also learned about entrepreneurs and how they can promote a healthy economy within a city. The students designed their own restaurant while working in teams. They only had a certain amount of money to use and they had to assign job roles.

The 4th grade program explored well-known

Major Credit  
Cards Accepted

businesses such as Hershey, Apple, and The Walt Disney Company. The students discovered where the companies originated from and the entrepreneurs who started them. The 4th graders were all given bracelet erasers made by a child entrepreneur. They discovered that anyone at any age can design a product and turn it into a business.

The 5th grade program was focusing on our resources; natural, capital and human, and what and why businesses need resources. One of the lessons had the 5th graders coming up with a way to make a current product better. The students defined the problem, brainstormed ideas, and then drew their ideas. All of their ideas were great! The 6th grade program was different than 3-5, we talked each week about our Global Marketplace. What is the global marketplace? What are trade barriers? What and why do countries specialize in certain items. Is global trade important? The 6th graders also mapped out which items came from which country.

The Junior Achievement Program is a great program and the children at ECS are very lucky to be exposed to all the information that it provides.

## Adirondack Lumber Camp Songs Presentation

The Mayfield Historical Society will present “Adirondack Lumber Camp Songs” by Cosby Gibson and Tom Staudle, award winning songwriters and singers who live near the Adirondacks in upstate New York. As a duo, they have been performing for eight years and tour both regionally and nationally. Folk Times wrote, “With guitar, violin, banjo, harmonica, ukulele and dulcimer, these high-spirited independent artists present heartfelt original acoustic folk and blues.” This program features the historic songs of lumberjacks in the 1800’s logging camps of the Adirondack Mountains. It also includes interesting narrative about this charming and tough work era in upstate New York. The event will take place at the Mayfield Presbyterian Church, 22 N. Main St., Mayfield, on Monday, April 15, at 7 pm. There is ample parking and the event is free and open to all with donations gratefully accepted. For more information, contact the Mayfield Historical Society President Bob Suits at 518-725-5261 or visit [www.facebook.com/ricehomestead](http://www.facebook.com/ricehomestead).

## From Hawk On Back Page

different ways. They appear on Facebook (FB) on a regular basis but you rarely know what they are going through. Less is more and they do not air their dirty laundry or get involved in meaningless conversations.

We have all been new to this community. We have been accepted by becoming involved in the community in one way or another. That is how you meet people. Recently I have been reading requests on FB from people asking for contractor referrals to do work on their property. I admit that I like that. We as a society have become Amazon shoppers. We are always looking for the best deal. I do this too. I would always advocate that you shop local whenever you can. Beware of contractors that have low prices. I suggest getting estimates from three contractors. Get estimates in writing and check to make sure they have insurance and references. Please do not ask for references on FB and be wary of one or two bad references on Home Advisor and other similar sites. Sadly, most comments are written by disgruntled people. It is sad that happy or satisfied customers rarely comment. Additionally sites like this do not have good information on accurate pricing for many jobs. Local contractors, in many cases, are more expensive. If you want to live in a beautiful location like the Great Sacandaga you will pay more for services due to its proximity to materials, supplies and labor. There are many businesses around the lake who supply excellent skilled labor. They want to do a good job because they live in this community too. No matter where you live, do your homework!

Our family has been drilling wells in the Sacandaga Valley since 1927. We have been a part of this community for years and are lucky to have lived on the lake for 19 years. While Bill and I now live in Key West, we still are invested in the lake and will always have roots there. We are becoming involved in our new community, in small steps, through volunteering. We have met so many nice people. Our experience is there are nice people everywhere. We just need to be open to it. We will be back in May to work and play for the summer. Bring on the green and the flowers. To all of you that are hurting or fighting hard to get well, remember to take it one day at a time. As the spring thaw begins . . . let's all enjoy the renewal that it brings.

### Did You Know

April showers bring May flowers. I know everyone is looking forward to warmer weather, working in their yards and opening up their summer homes around the lake. It has been a long cold and snowy winter. It has been an especially rough winter for many people that we know. The weather was the easy part, of winter, for them. Many of you know some of the people that I am talking about. These individuals always have a smile on their face, no matter what they are going through. They have recently experienced deaths in their family, diagnosis of cancer or other life threatening disease, drug abuse, loss of job or lack of work due to weather related issues. The year round lake family is relatively small. We are not all

blood related and we do not always know each other well. This "family" is a group of people that gives of their selves. They support this lake in many different ways. We have sat on committees together, we have been to events together but we have not all been to each other's homes. We reach out to each other in time of need. We support each other through prayer, words of support, cards and short notes, a hug, a smile or a meal. We are a family of people united, originally, through our love of the lake. Each and every one of the people I am talking about would do anything for a community member in a time of need. They are hard workers and keep our community running in many
