HELP WANTED

Big changes will be happening to the exhibits at the Rural and Nellie Tyrrell Museums and we could use some ideas and volunteers to help us. **NEEDED** - Someone who likes to work with wood? Someone to build a diorama of old Beecher Creek. People with artistic and designer qualities. How about building a wagon for display outside the Rural Museum. Someone is needed for designing gardens. Could you create some hands-on activities for children at our two festivals. Would you like to help change the exhibits or are handy with tools for a few repairs? We could use help with just moving things around. Do you have old Christmas ornaments to donate for the Christmas tree in the parlor exhibit? Do you have old pictures, especially of the Sundays at the Edinburg Plateau Skytop Airport for a display? All approved projects will be considered for payment by the EHS and remember that all donations are tax deductible.

Community members have expressed their desire to help out with projects but do not have the time to attend Edinburg Historical meetings or programs. There will be no commitment to become a member of the Edinburg Historical Society. EHS just needs help with some aspects of the changes they would like to make at the Edinburg Museums.

Check our website at www.EdinburgHistoricalSociety.com. If interested please call Cynthia Kurtz 518- 863-2228 or our google voice mail 518 – 460-1746 and leave a message.

DON BOWMAN REMEMBERS

Tales of the Sacandaga Valley

Many years ago we had a column titled Don Bowman Remembers. It was written by a gentleman who lived in this area for many years, and worked on the dam and bridge. He lived in a bygone era of simpler times and strong resourceful people. We have access to many stories of the time and have decided to start printing them in our publication again.

I hope you enjoy them as much as we do.

Before They Get You

Jamie told the J.P. when he paid the ten dollar fine for fighting at the dance, "My dad always told me son, you gotta get them before they gets you."

The Burning Candle

Earle came up from Albany to work on the project. He lived in the dorm. He was smart. He could read a book just about as fast as he could turn the pages. He would give you a nickel for a book or a magazine. He had a wooden apple crate next to his bunk with a candle in a holder on the up-ended part.

The house man at the dorm warned Earle about burning a candle. Sure enough one night he fell asleep reading. His hand hit the candle holder. That set his blankets on fire. Fire was put out, but Earle got fired for the fire.

Locust Grove

They called it Locust Grove Cove and it had the most wonderful sweet smell when the Honey

Locust trees were in blossom and the bees were busy. Someone said that heaven could not smell any sweeter than that cove in the river near Day.

One of the contractors had his men cut, trim and ship out truck loads of locust for fence posts. When set in post holes, locust posts last for countless years for they are strong as iron.

Wells Revival

On Saturday, June 3, 7pm. the Revival, Wells, is happy to bring in that timeless acapella doo wop sound of The Flipsydz. Thanks to "The Sing-Off", a competition of some of the best acapella groups in the nation, acapella music has made a big comeback.

Presenting authentic doo-wop from the 50's and 60's, you might have heard on a corner in Philo or Brooklyn, the Flipsydz recreate some favorite classics such as "In the Still Of the Night", "60 Second Man", "The Lion Sleeps Tonight", "Blue Moon", "I Only Have Eyes For You" and so many more.

Three generations of singers, including Don Tosti (baritone/tenor) Tom Torebka (bass/baritone) Pete Avides (tenor/baritone) and Stan Simkins (tenor/falsetto) blend the harmonies perfectly and seamlessly. The local group has a CD called "Hangin' On The Corner With The Flipsydz," and has performed at Proctors, Saratoga Racetrack, Saratoga National Golf Course, Saratoga First Night, Cafe Lena and were the opener at Central

Park, Schenectady for the Godfathers of Acapella "The Persuasions". Be it a lush "Two Silhouettes on the Shade" or the joyful "Up On The Roof," this quartet knows how to rock it. \$10.00 donation. Under 12, \$5.00.

Monday, July 3, 7pm The Revival celebrates the Fourth of July with "A Salute to George M. Cohan- That Yankee Doodle Dandy" with pianist Malcolm Kogut, vocalist/humorist Byron Nilsson, and songbird Tess McCarthy.

Cohan began his career as a child, performing with his parents and sister in a vaudeville act known as "The Four Cohans". He wrote, composed, produced and appeared in more than three dozen Broadway musicals and published more than 300 songs during his lifetime, including the standards, "Over There", "Give My Regards To Broadway", "The Yankee Doodle Boy" and "You're A Grand Old Flag.

\$10.00 donation, under 12 \$5.00.

OPEN MIC- Third Saturday of the Month- 7-10. The sound will be set up and ready for you to take the stage and share your talent. Solos, duos, or groups. Listeners too. Free.

Our dock anchors & boat moorings are specially designed so that the attachment point is fully integrated within the anchor and won't break off from the stress caused by wind and wakes. We use a high pressure (3,000 psi) concrete to increase the density of our anchors. And since the bottoms are textured, they won't slide along the lake floor. Plus, we appropriately size our anchors according to your boat size and specific location on the lake.

We will deliver and install your dock anchor and/or boat mooring from our workboats using galvanized chain and hardware. Please call us for a quote on delivery and installation.

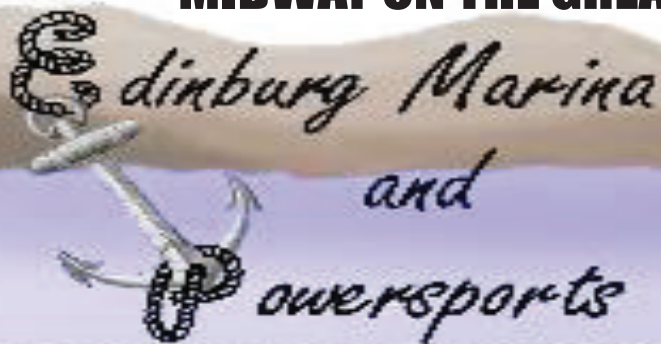

We also carry an assortment of boat anchors. Stop by to see our display.

EDINBURG TOWN REPORT

www.edinburgny.com

by Jean Raymond

Congratulations to the Graduates of the Class of 2017

Jason Kemper Named to NYS Outdoorsman Hall of Fame.

Jason Kemper, Edinburg resident, was one of 8 new members inducted into the NYS Outdoorsman Hall of Fame on April 29th in Canastota, New York. The organization is dedicated to honoring individuals who have spent many years preserving our outdoor heritage, working for conservation, or enhancing our outdoor sports for future generations. This is a big honor and recognition and we congratulate Jason. Edinburg resident Robert Monacchio was named to the Hall of Fame a few years ago. This means that the Town of Edinburg has two residents who have received this state wide recognition.

Saratoga County Fish Stocking

Saratoga County again this year purchased Rainbow and Brook Trout for stocking of lakes and streams. The fish were stocked in the Great Sacandaga Lake last week at the NYS boat launch site in the Town of Day. Children from Edinburg and area schools helped place the fish into the lake. Jason Kemper, who is Director of Planning for Saratoga County, oversees the stocking program among his many other responsibilities.

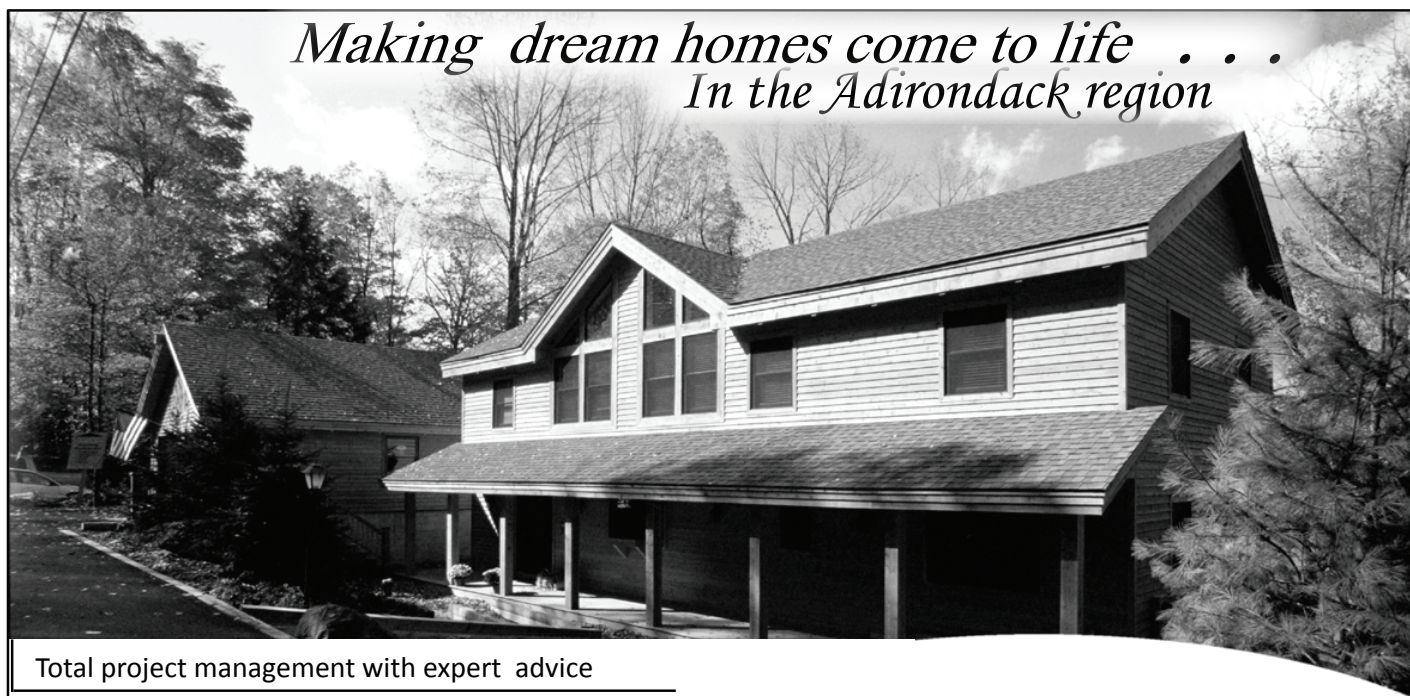

Mosquito Dunks

Saratoga County purchased a supply of mosquito dunks and distributed them to the towns and villages. They will be given out on a first come basis. They are meant for standing water, not roadside ditches or running water. They should not be used anywhere in proximity to a drinking water source or where water would enter the lake. They are available while supplies last at the town hall for Edinburg residents.

Memorial Day Flags

Flags have been placed on electric poles and in the cemeteries at Veterans graves for Memorial

Day. They will be left up until after Veterans Day in November. Jean and Todd Becker volunteer every year to place the Veterans flags in our cemeteries and the Highway Department does the electric poles as well as the Four Corners Veterans Monument and Town Hall. Thank you to Jean and Todd and the Highway Department.

Tour de Cure

Please watch for Bicyclists on South Shore Road between 8:00)) and 4:00 on June 4th.

The Saratoga Diabetes Association is holding their Tour de Cure fundraiser, which is a series of bicycle tours in Saratoga County, on June 4th. This year they have a 100 mile route that will include the South Shore Road from Hadley to Providence. They will have a rest stop with porta potties at the town beach (outside the gate) during the race. The scheduled hours are 8:00-4:00.

Reminders:

The Town Hall will be closed Friday May 26th and Monday May 29th for Memorial Day.

Refuse Collection will be Tuesday and Wednesday the week of May 29th.

THANKS

The Northville United Presbyterian Church extends its warmest thanks to all who helped make our participation in the recent Village-Wide Garage Sale a big success. This includes the core group of church volunteers working tirelessly to set up in the rain and subsequently make the event a sunny success. And the members of the congregation's Steadfast group made the food concession another large fundraising part of the garage Sale.

Ladies' Night Out

Please join us for our "Ladies Night Out" a night of fellowship and fun that is being held on Thursday, June 8th at the NUPC Reed Street Fellowship hall, starting at 6pm. Tickets are \$15 each, and will include a fashion show by Bonnie Coulter's "Just Because" boutique. Individual tables will be theme based, with favors, desserts, and games. Meeting of Albany Presbytery

NUPC is honored to have been chosen to host the 313th Stated Meeting of the full Albany Presbytery at our church here at Northville on June 6th. Our Presbytery gathers together in Stated Meetings four to five times a year for education, fellowship, worship, parliamentary actions and discovering God's preferred future together. The Albany Presbytery is a governing body in the Presbyterian Church (U.S.A.). It is one of twenty two Presbyteries that are a part of the Synod of the Northeast. It is a gathering place for ministry for 60 congregations, three new worshipping communities, one new immigrant fellowship, hospital and college/university chaplains and ecumenical connections. It is quite exciting for us to be chosen for this Stated Meeting.

General Reminder

Sunday Services in the regular year are at 10am in Northville, with Sunday School and weekly nursery; from September through June. Summer Sunday Services are at 9am in our historic Batchellerville sanctuary from July through Labor Day.

TO ALL OF OUR CUSTOMERS AND FRIENDS,

IT IS WITH SAD HEARTS THAT LARRY AND I ARE SAYING GOOD-BYE TO LAKE EYES AND TO ALL OF THE WONDERFUL PEOPLE THAT WE HAVE MET AND THE LAKE HOUSES THAT WE HAVE BEEN WATCHING OVER FOR SO MANY YEARS NOW.

WE HAVE DECIDED TO RETIRE FROM LAKE EYES AND TRAVEL A LITTLE, PLAY SOME GOLF, GO BOATING, GET SOME NEEDED WORK DONE AROUND OUR HOME AND JUST ENJOY LIFE, AS THEY SAY.

WE CAN NOT THANK YOU ALL ENOUGH FOR THE TRUST YOU HAVE PUT INTO US WATCHING OVER YOUR HOMES, LAKE HOUSES OR CAMPS, ALL THESE YEARS. IT HAS BEEN OUR HONOR WORKING WITH YOU ALL AND GETTING TO KNOW SO MANY WONDERFUL PEOPLE WE CONSIDER OUR FRIENDS. WITHOUT YOUR TRUST IN US WE COULD NOT HAVE MADE THIS BUSINESS INTO WHAT IT IS TODAY SO WE THANK YOU ALL FROM THE BOTTOM OF OUR HEARTS.

LAKE EYES IS STILL HERE FOR YOU BUT UNDER NEW OWNERSHIP AS OF JUNE 1, 2017. JENNIFER STRAUSS WILL BE YOUR NEW CONTACT TO REACH FOR ANY OF YOUR NEEDS AND CONCERNS. HealthLink Littauer's WELLNESS WORDS

*Submitted by Carol Tomlinson R.N.
B.S., Community Health Educator*

CAN YOU SPOT THE SYMPTOMS OF STROKE?

According to the National Stroke Association, every 40 seconds someone has a stroke. Sadly, only about 30% recognize the symptoms and get to a hospital in time to prevent disability. In fact, stroke is the leading cause of disability in adults. Together let's change that...read on!

You lose approximately 2 million brain cells a minute during a stroke. Therefore, it is important that everyone become aware of stroke signs and be able to get help quickly.

BE FAST

You may have seen the FAST acronym from the American Heart Association. FAST stands for:
F=FACE Ask the person to smile. Does one side of the face droop?

A=ARMS Ask the person to raise both arms.

Does one drift down?

S=SPEECH Ask the person to say a simple sentence such as, "The sky is blue."

Do the words sound slurred or incomprehensible?

T=TIME If you observe any of these signs, it is time to call 911!

Do not allow anyone, especially the person with stroke signs, to drive to the hospital. Ambulance personnel are equipped to recognize stroke symptoms and relay them to the hospital immediately. Care will be faster and the emergency department will be ready to work with the patient when they arrive.

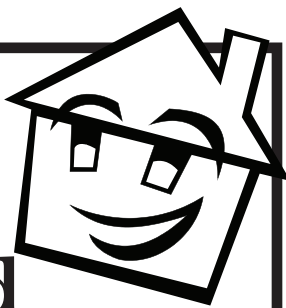

The National Stroke Association has also added BE to the acronym.

B=BALANCE Some stroke victims don't have weakness but they do have severe balance difficulties.

Do they stand with difficulty or appear to walk with difficulty?

Once in the hospital, there are a number of possible new interventions that could reverse symptoms and/or limit further brain damage. However, these interventions are severely time limited. So recognition and quick action are the key to good outcomes.

Should a stroke survivor be left with disability, there are plenty of services available help to reduce and/or compensate for any deficits the stroke survivor has. A team approach is usually the treatment

of choice. The patient may have physical therapy, occupational therapy, speech therapy, and/or recreational therapy depending on the needs identified. Once again, the sooner therapy is started the better the outcomes.

A stroke affects not only the stroke survivor, but also family members and other caregivers. Rehabilitation cannot reverse brain damage, but it can help the brain learn new ways of doing things so that people can achieve the best possible long-term outcomes.

THE CREATION OF THE SACANDAGA RESERVOIR

On Tuesday, June 20 at 7:00 p.m. the Edinburg Historical Society will hold its monthly meeting at the Edinburg Community Center. Jason Kemper a member of the Great Sacandaga Advisory Council will speak on the creation of the reservoir and the purpose of the Advisory Council and its many projects. The Advisory Council consists of county and town historians and people from the community who are helping compile videos, photos and information for the film documenting the creation of the Sacandaga Reservoir. Jason will give us an update on the progress of this film.

Jason is a native of the Sacandaga area and many of his ancestors were early settlers of the Sacandaga Valley. He is Director of the Saratoga County Planning Department and is also Statewide Chairman of the Conservation Fund Advisory Board.

Big doings at Edinburg's two museums - Exhibits at the Rural and Nellie Tyrrell Museums will be re-designed and changed. The exterior and grounds of the Rural will undergo some changes. A few exhibits will be under construction as some of the more complicated projects will take a couple of years to complete. Locate our "Help Wanted" article elsewhere in the Edinburg Newsletter

asking community members to help us out with specific projects. There would be no commitment on your part to become a member of EHS or to attend any monthly meetings. Snowbirds and children are encouraged to volunteer.

Visit the Society's website: www.EdinburgHistoricalSociety.com. All meetings and programs are free and open to the public.

Sunday Worship, 11 am

Rev. Kathy L. Reese, Pastor

Greetings from the members and friends of First UMC as we prepare to enter the season of Pentecost. Pentecost Sunday celebrates the descent of the Holy Spirit upon those gathered following the ascension of Christ. It's also celebrated as the birthday of the Christian church. Pentecost Sunday, June 4, will be celebrated at First UMC at 11 am. All attendees are encouraged to wear red, the traditional color of Pentecost.

All children are invited to enjoy our Sunday school program - F.R.O.G.S. (Forever Relying On God's Son). We meet at 11 am on Sunday mornings in the sanctuary and are dismissed for time together following a moment with the pastor during worship. Call the church if you have any questions about our Sunday School program.

Thrift Shop Hours are: Tuesdays, 3:30-6:30 pm; Fridays and Saturdays, 9 am-12:30 pm. We accept CLEAN gently worn clothing, free of animal hair, stains, tears, and cigarette smoke. We appreciate donations from the community but respectfully request that these guidelines be followed. If you are interested in volunteering for this mission outreach project, please let us know. New workers are always welcome.

Scouts meet weekly at First UMC on Thursdays at 6 and 7 pm, TOPS (take off pounds sensibly) meets on Wednesdays at 5:30 pm Choir rehearsals are Thursday evenings at 6:30 pm.

June 10 – Outdoor Ministries Hike; Pine Grove, just north of Wells on Griffin Road; 3.2 miles round trip, terrain is flat and destination is viewing some of the last virgin pine trees in the Adirondack Mountains. The group will depart at 9 am from First UMC; water and insect repellent will be provided. This is a family-friendly hike and more information can be obtained from Charlotte and Mark Locatelli, 725-6772.

DID YOU KNOW THAT—

*by Town of Edinburg Historian,
Priscilla L. Edwards*

Many thanks to those who contacted me about our WWI veterans, offering more information. We're still working to come up with a complete list of those men that served from Edinburg. Our four large historic signs about town have new inserts for all to see. They are located at the end of the road at Tennantville; the covered bridge; the Nellie Tyrrell Museum and the town park at the east end of the Batchellerville Bridge. Thanks go out to Andre' Garand for replacing the sign holder at the town park and repairing some of the others. Thanks also to George Blackwood for giving all the sign holders a fresh coat of stain(although the weather in early May wasn't cooperative) and placing the signs in the holders for me. We found a wonderful little place in Amsterdam that laminates the signs when I get them finished.

It's hard to believe that it's been 25 years since

our first "Historic Edinburg Day". After many months of hard work by many Edinburg folks we celebrated Rural Museum Dedication Day on June 27, 1992. Even former Sen. Hugh Farley was on hand to give us a word of praise.

The building, originally a barn, is located on property that in the 1850's was part of the farm owned by Joseph and Jemima Covell. The farmhouse still stands directly across the road. The farm had several owners over the years and in 1930 the Town of Edinburg purchased the barn from Harold V. and Rosena Wessells. Rosena was the sister of our first town historian, Nellie Tyrrell.

The barn was converted into the town's highway barn. It remained the highway barn until 1974 when the new town hall/barn complex was built at its present site on Military Road. The barn continued to be used for storage by the town and fire company until 1990 when thanks to our town supervisor, Jean Raymond, with help from Senator Farley, a grant was obtained to convert the building into our Rural Museum. This was a long-time dream of former town historian Nellie Tyrrell and local businessman Victor Brownell.

The highway crew and firemen cleaned out what they wanted leaving the rest for us. Jean

arranged for prisoners from the former Wilton Correctional Facility to help us with the heavy lifting while 3-4 of us made the decision as to what to save and what to throw away. A concrete floor was poured and an up-to-date electrical service was installed. Windows were replaced or repaired, a new entry door installed and some painting done. The guard in charge of the inmates was a good carpenter and he and Edinburg resident Fred Trudy installed the railings and gates for several exhibit areas.

After the heavy duty work was finished we set up work days to clean, set up exhibits, etc. Many folks showed up-young and old

alike-not all historical society members either. We had a wonderful time and accomplished so much! We'd go to the firehouse with our bag lunches, eat, relax, breathe some fresh air-then back to work.

A 46- page "Historic Edinburg" booklet was put together with historic articles and photos. Ads paid for the booklets which were sold for the benefit of the Edinburg Historical Society. Boy scout Aaron Frasier chose the Rural Museum to complete his Eagle Scout project. Aaron made many stand-alone wooden signs which were used to identify many items within the museum. A great job well done, many of these signs are still in use while the rest are stored.

Letters were sent out to all contacts we could think of that would be willing to demonstrate old-time crafts as well as music makers. A wonderful response was received. We had a self-guided tour of Beecher Hollow; the model railroad crew gave demonstrations in the old Sumner's house behind Fuller's Store; the Methodist Church had a "yummy" strawberry festival and the emergency squad offered a blood pressure clinic. There were airplane rides at the airport, white elephant sales

In the middle of the quilt show (41 in all) at the firehouse were sisters, Vivien Beirlein of Northville and Maxine Stuk of Gloversville. Maxine and Vivien, in mop caps and shawls spent the day stitching up a storm in the age-old art of quilting.

At the Rural Museum were Gene Valk, hand weaver and Libby VanNostrand, spinner. Neither of these gals were strangers to Edinburg since Libby is a native now living in Mayfield and Gene of Gloversville is a descendant of Edinburg's Albro and Grinnell families. Instead of bringing her regular 4-shaft floor loom Gene worked all day on her inkle loom. Inkle weaving produces beautiful narrow tapes that can be used as bracelets, belts, camera straps, suspenders and other useful items. Libby was becoming known in the area for her dying of wool with Kool-Aid and spinning dog hair into yarn. She is also an accomplished knitter having completed a pair of wool long-johns which she had on display.

All of the above ladies could often be found at historical functions in the tri-county area of Fulton, Montgomery and Saratoga.

Bruce Frasier, master soap-maker of Edinburg, was not in attendance simply because we could not supply him with a stove to produce his wares. Bruce was kind enough to supply us with a box of soap samples and the recipe for anyone interested in making their own.

Steve Gleeman, our local plumber by day, sweltered over his blacksmith forge and tools. A newcomer to demonstrations Steve turned out fireplace tools, dinner bells, all kinds of hooks, beautiful antique door latches and hinges, etc.

Down the road by the Nellie Tyrrell Museum were our musicians of the day. If you have never

One of the younger musicians was 10-year-old Caitlin Rivera who played the spoons and dulcimer.

The entire Rural Museum project showed a community working together. It entailed a tremendous of work but also a lot of fun.

After 25 years the Edinburg Historical Society is about to start the process of creating some new exhibits and refreshing others.

We again could use some help. You don't have to be a member or become one but if you'd like to donate some time to our cause, offer your talents, maybe just swing a paint brush and have a few laughs we'd love to have you. Be Better not Bitter! by Barbara Klueg

Sometimes we feel regrets in life. We find ourselves fretting over past events and there is not one stinkin' thing we can do to change those things. Maybe you have made some bad decisions in life or have experienced a tragedy. They can make you feel angry or guilty.

"My Utmost for His Highest" is one of my favorite books. It's a classic! The author, Oswald Chambers, refers to "The unfathomable sadness of the might have been." You try your hardest to forget those times, and desperately want to wipe them from your memory, but you just can't. Instead, you become consumed with them. But, the good news is that God can use those hard times in your life to make you better. I have told people (including to myself) ... let those hard times help make you BETTER, not bitter.

It is when the difficult experiences in life happen that we grow in faith. It sounds crazy, but these hard

times can actually make us stronger, and even more confident, if we let them. God has used past events in my life to change me. Those events have also enabled me to help others. So, don't ignore or dwell on those events, but instead focus on God and look ahead. Ignoring them, or burying them, means you haven't dealt with them. Maybe you need to forgive others or yourself. Dwelling on those hard experiences causes you to feel like you are constantly spinning your wheels. You can't move forward and are just plain stuck in the thick mud of despair and the past.

However, if you turn to God's Word you will find words of comfort and wisdom. "For I know the plans I have for you. Plans to prosper you and not to harm you, plans to give you hope and a future." (Jeremiah 29:11) You CAN make it through those hard times. I did and so have others. God is faithful and loves you!

Memorial Day originated following the Civil War to honor the men and women who died while serving in the U.S. military, but it did not become an official federal holiday until 1971. When I was growing up, my parents and grandparents called it "Remembrance Day." We not only had a picnic that day, but also visited the cemetery to place flowers on my grandfather's grave who served in WWI. We need to thank God for those who have given their lives to secure our future. And we need to thank our Vets and those who presently serve

to keep us FREE and make our world a better and safer place. May God Bless Them All!

Father's Day is coming up soon. My father loved me, worked hard, praised me, (and corrected me when I needed it). I thank God for my dad who is now with the Lord. I am also thankful for my husband who is an excellent father to our children. I am blessed. Make sure you thank your father for being your dad. Tell them how much you love, appreciate and respect them. It will make their day!

A good father is one who loves, protects and provides for his family. He is becoming a rarity in today's society. Recently two little girls told me that they had no daddy. I was so saddened when they said this. Maybe you did not grow up with a dad or have a good father. Job 29:12 says, "I delivered the poor who cried for help, and the fatherless that had none to help." The Bible says that God is our Heavenly Father, and He will help us. He will not disappoint you! (Here is a suggestion to you men.) You can be like a dad to a child who desperately needs a strong father figure in his/her

life. Perhaps your own grandchildren need this. You could make a huge difference in their lives!

This year Father's Day is also Youth Sunday at our church when our teenagers will be doing our entire morning service. Yes, all of it! They prepare and do the music, offering, announcements, and the preaching. They do an amazing job every year! We adults love being led in worship by our teens, the church of tomorrow. We thank God for them all. Our Youth Directors, Isaiah and Jamie Philo, are godly examples to our teens and do a wonderful job teaching them how to live for Jesus.

Our congratulations to the college and high school seniors who have attained their goal - that piece of paper that declares they are smart. It signifies years of study, learning and hard work. YEA! We are proud of you and pray for your future. Now, real life begins! May you do great and mighty things for God and mankind, making a difference in our world. There is no better purpose in life than giving Jesus first place and doing what you were meant to do.

Our VBX theme this year is Mystery Manor and will be held Monday - Friday, (July 10-14) from 6:30-8:30 PM for 4 year olds up to 12th grade. Our penny

(boys vs. girls) offerings will go to our VBX missionaries, Rich and Anna Marshall, who have served in Timbuktu for many years. They are now based out of Bamako, Mali's capitol city, besides ministering in several cities and villages throughout Mali, Africa. Over

Northville Girls Reunion News

The participants of the April 8th special Spring Reunion Luncheon would like to thank the following merchants of Northville, NY for their generous contributions of gift certificates and raffle baskets: Adirondack Country Store, Northville Liquor Store, Allen and Palmer, Lakeside Gifts, Northville 5 & 10, Sacandaga Dog Supply, and Klippel's Kozy Korner. The money raised at these luncheons is awarded to graduating senior girls in recognition of their community service. Due to the generosity of the above merchants, as well as additional gift baskets provided by some of the attendees at the luncheon, we were able to again sponsor three scholarships.

The luncheon is open to any female alumni, teacher or employee of the Northville Central School district. To avoid conflicting with the planned Joint Reunion of the Classes of 1972 & 1973 on September 23, the next Northville Girls Reunion luncheon is scheduled for October 21, 2017. If anyone is interested in helping the planning committee for the October luncheon, please contact Jenn Burton at 842-5657.

BOARD OF TRUSTEE MEETINGS:

The Edinburg Common School Board of Trustees and Superintendent want to thank the Northville Central School Board and District administration for our joint April and May meetings where we were able to hear about some of Northville's plans for students K-12 as well as to share a couple of things that are happening at the PK-6 level with project based learning and Response to Intervention programs. The Edinburg Common School District is committed to continuing to work with the Northville Central School District as a provider of education to Edinburg Students in grades 7-12.

From Hawk On Back Page

prior complaint, I have found a severe lack of communication between the team members providing services for my dad. Communication is probably the largest issue plaguing all businesses. Admittedly we have been guilty of this, as well. People need to remember that there is no “I” in team. I have heard more people say that the general work force has become apathetic. They have no interest in their job, and no enthusiasm or concern for others. Sadly, I have seen too much of this. People will be polite and give you lip service and tell you what they think you want to hear. That drives me crazy and I know when I am getting “snowed”. We all have moments when we are apathetic but for most of us; they are just moments. I want the best for my family. I want them to get the services that they need and I want them to be safe. I have to stand up for what I know is right but I also have to listen and communicate and continue to compromise to get the best care. Continued vigilance is the key! Those of you who have experienced these issues will totally understand what I am talking about. Just know that you are not alone.

Father's Day is June 18. I want to give a shout out to my dad, Lindell Hawk, my husband, Bill and son Jeremy. In a family business it is hard to separate being a driller, boss, son, father and dad. Roles are blurred and some people cannot separate the time, to be with their family. I am proud that the men in my life have always been family oriented, to the best of their ability. It is interesting how the role of being a father has positively evolved with each succeeding generation.

Here ! Here ! I am lifting up my water cup, in a toast, to all of the wonderful dads that I know. I am hoping your future holds many fun and sunny days. There is nothing like a sunny day to buoy your spirits no matter what is going on in your life! Happy Father's Day to you all! I hope that you can make great memories on June 18. See you on the lake!

Did You Know

I whined all weekend as we drove up the coast to come back to New York. It was rainy, windy and cold. I know that you all endured this for weeks. I guess that I am just getting soft. Praise God the sun came out late on Monday and today it is 88 degrees. I am a happy camper now!

Every phase of life has new experiences. I have had many in, the last, several months. I am used to being in control and in charge. It is very different for me to be in the role as a consumer; coordinating care and services. I am grateful for my experience dealing with people, my expertise in education and health care and most importantly my ability to fill out paperwork and knowing how to document my communications.

Even with my background, I have been incredibly frustrated over the fact that so many professionals fail to return phone calls

or answer emails. This has not happened a few times, it has happened repeatedly since January. Frankly, it is shocking to me! Just acknowledge my attempts to communicate with your business. Let me preface my next comment, by saying, that we are far from perfect at Hawk Drilling. There are phone calls that we have forgotten to make and we have lost a few people shuffling papers. If you are reading this and we have done this to you; I am sincerely sorry. Most of the time, however, we try to get back to people in a timely manner. In all honestly, a timely manner may be 24 to 48 hours especially when we need to do some research to provide you with an answer. In addition to my
