"SOME OF THE NICEST PEOPLE IN THE WORLD LIVE IN EDINBURG"

## HAPPY BIRTHDAY U.S.A.

The citizens of Edinburg, along with her neighbors around the Great Sacandaga, salute their forebearers--the fathers, sons and daughters who have served this mighty nation to honor freedom and to keep it hallow on this anniversary of its birth.

The Sacandaga Valley abounds in the history, revealing the deeds, the sacrifices, and the dedication of the brave men and women who served their country to insure that democracy would prevail.

On this holiday, among the gaiety of the bar-B-Q's, the beach parties, the peels of children's laughter, the softball games, it is only proper that we pause to honor our heritage, to sanctify the spirit of the occasion with a moment of reflection upon our blessings.

Despite the circumstances of the times, it is still grand to be an American, to cherish our freedom, and to treasure our ideals. The Fourth of July means more than hot dogs, potatoe salade and coke. It is a time for all of us to bask in the glories of our past and to look forward to a future of continued freedom and equality for all.
