

"Some of the nicest people in the world live in Edinburg"

February 1982 **EDINBURG** NEWSLETTER Volume #6

Published monthly by volunteers - free to the community

HALF YEAR ANIVERSARY FOR NEWSLETTER

February is our sixth volume - and out on time ! Naturally we are very pleased with the community's enthusiasm and the advertisers support. It does pay to advertise in our little newsletter - it's good business for our advertisers and our ability to publish. We have tried hard to keep costs low and yet deliver a quality product. These efforts are reflected in our advertising and subscription rates - and with continuing success will remain the same.

A few "hard core" volunteers have worked very hard every month to collect news and do the mechanicals. Sorry to say we have had a great deal of difficulties in recruiting volunteers for home deliveries. This problem has led the Directors and Staff to the conclusion that home deliveries be stopped after this issue. Newsletters will be left at ALL advertisers, churches and community centers every month. Please watch for them and always think of your elderly or shut in neighbor when picking up your issue. Senior Citizens subscription rates shall be \$4 instead of \$5 for 6 months.
