THE BIRTH OF A TRADITION ?

The First Annual Christmas Tree Lighting & Caroling at the Edinburg Four Corners was a great success attested to by the better than 300 people who attended. Rev. Paul Allen gave the invocation and Rev. Chris Dillon offered a Christmas message and led the opening hymns. Santa arrived on a great big fire truck and to the delight of the children gave all a number of gifts & candy.

The great tree, full with decorations made by the school children and over 350 lights and garland, was lit with fanfare and song. Offerings were made for the needy to be handled by the Grange. Caroling and hot chocolate by the gallons with fresh donuts followed the lighting.

Thru the generosity of the community and local businesses, lights, gifts and various supplies needed were purchased making the event a success and insuring next years celebration.
