DON BOWMAN REMEMBERS

Tales of the Sacandaga Valley

Many years ago we had a column titled Don Bowman Remembers. It was written by a gentleman who lived in this area for many years, and worked on the dam and bridge. He lived in a bygone area of simpler times and strong resourceful people. We have access to many stories of the time and have decided to start printing them in our publication again.

I hope you enjoy them as much as we do.

An Old Law

We were in the Patrol Wagon on the way to Denton Corners to notify an old couple that the check for their land was in and that they must leave their old homestead.

The Constable was telling me of the old days. Then he said, "It's an odd fact, even today. That the courts still treat property out of all proportion to injury to the person."

"Goes back to the Lord's sheep being of more value than the serf's life. Mug an old lady, knock her silly, take her money. If you get caught and are unlucky, you get six months in the pokey."

"If you steal something from a house without hurting anyone and get caught, or buy something knowing it to be stolen, and you could do time for up to five years."

Valley Music

When I was a small boy at home one of my sisters used to play a record on the wind up Victrola that the entire family liked.

I liked it very much, thought it was great. That was "Tales From the Vienna Woods". A lovely bit of music.

When I arrived in the Valley to work I found much of the area as lovely as the Strauss music. The woods, bathed as they were in the gold of sunlight were as lovely as I dreamed of the Vienna woods.

The beautiful Danube became the beautiful Sacandaga.

May At The REVIVAL, Wells, NY

Sunday, April 24, 3:00 pm, The REVIVAL will present an afternoon cabaret, "Foolishly in Love" with pianist phenom Malcolm Kogut and the witty and talented vocalists Holly McCormick and Stephanie Schneider. The trio is both charming and humorous as they sing their way through a compilation of songs from the 1940's, and on-telling a story about love, loss, and finding love again. Whether you are happily single, happily coupled or it's "just complicated", this cabaret will leave you with a smile on your face. \$10.00 donation/refreshments. The Revival is located at 1441 State Route 30, Wells, NY. Info at 528 924-2041 or the revivalhall@gmail.com

Saturday, May 28th-7pm.from Montreal-"The Bombadils" with Sarah Frank, Luke Frasier and Kaitlyn Raitz. Canadian maritimer Luke Fraser and prairie-girl Sarah Frank share a love of folk songs and fiddle tunes. Drawing from the Canadian, American, and Celtic traditions, the two pour the spirit of story-telling and kitchen parties into their own writing. Luke brings guitar, mandolin and home-grown east coast vocals in harmony with Sarah's singing, lyrical fiddle playing and claw-hammer banjo. Kaitlyn Raitz blends it all together with her stellar cello playing. \$10.00 donation.

Sunday, May 29th- 7pm-"BIG EDNA"party band-Classic rock/Indi/Jazz
Upstate NY trio that specializes in playing the music you forgot you loved.

New treatment options include two F.D.A. cleared therapies:

- **Spinal Decompression** relieves pain associated with degenerative, bulging and herniated discs in the neck and low back .
- **Cold Laser** relieves pain and speeds healing of soft tissue at a cellular level.

**Call 773-2000 Monday through Saturday for your complimentary consultation.
This Spring be at your best! We can help put your back pain behind you.**

Put your back pain behind you.

Suffering with back pain is no way to face the day. Not only does it slow you down, it can affect your mood, your health, and even your relationships. Back pain is your body's warning of strain or injury to the spine. A chiropractic examination will identify the root cause, and through chiropractic treatment, unnecessary pain, even surgery, can be avoided.

EDINBURG TOWN REPORT

www.edinburgny.com

by Jean Raymond

Road Paving

The Highway Department will be paving Military Road from beyond the Recycle Center to the Town of Day line (or as far as funding will allow). They plan to do the work in June.

Private Driveway Construction Policy on Town Roads

Highway Superintendent Seelow has proposed a formal policy that will require a permit for new driveways entering the Town's right of way onto town roads. The permit will be at no cost to the resident. Once the permit is approved the resident will purchase the required culvert and then the highway department will maintain and replace the culvert as roadwork is done or as required in the future.

Community Center Flooring

New flooring will be installed in the Community Center this spring. We do not have a date yet but hope to get it done before Memorial Day. It will require the meal site to be closed for several days during the installation.

New York State Budget Highway Funding

The regular CHIPS Highway aid will be the same as last year, \$83,489. The New York State Budget includes a new program called Pave-NY which is funded at \$500,000 million dollars a year for 5 years statewide. It appears the Town will receive an additional \$19,057 in Pave-NY funding as a result of this program each year for the next 5 years. There is another program that is also funded called Bridge-NY but we do not yet have details on how the funding will be distributed.
+

Highway Garage Wiring

The Highway Garage electrical panel has been updated and new wiring and switches have been installed. The town plans to install a generator in the Highway Garage/Community Center before next winter.

REMINDER:

Recycling and Reuse Center
The Center will be open Fridays from 9:00am to 3:00pm beginning the first Friday in May.

Refuse Collection Change

Refuse Collection will be on Tuesday and Wednesday the week of May 30th due to the Memorial Day holiday.

NORTHVILLE PUBLIC LIBRARY

Michael Burnett

Director 863-6922

Tuesday, May 17 is voting day for the Northville Public Library. The library's Board of Trustees has worked to develop a responsible budget with the least impact on our local taxpayers. The 2016-2017 budget will have NO increase in the tax levy. Voting on three Trustee seats will be held.

Nearly 18,000 visitors passed through the library in the last year, using almost 33,000 items. The library's computers and wireless network were accessed over 3,900 times, and the library handled

about 10,000 transfers, sharing items between area libraries.

The Sacandaga Book Club will meet on Tuesday, May 10 at 10 am in the library's program room. Rick Hasenauer will lead a discussion of "Short History of Everything" by Bill Bryson. The travel writer takes on science and the universe and our place in it.

SVAN's Artist Exhibit in the library's 2nd floor gallery will feature works by Deborah Deming. The work will be available from May 1 – Jun 29. A reception will be held on May 17 from 6 to 8 pm.

Story Time will be held on Mon, May 3, 17 and 31 at 945 am, coordinated by Hadley Jacobs. Bring your pre-school children for stories, snack, and craft.

Teen Time is scheduled for Tues, May 10 at 3 pm. Wii games and board games are available, along with snacks. Also, building designs can be made with Keva Planks.

Upstate New York has become a vital area for low-budget, high-quality regional filmmaking. On Fri, June 3 at 1 pm, regional film producer Audrey Kupferberg will discuss the key ingredients to making a film for distribution. She will explain how to avoid pitfalls and share her experiences in the field. The program will include the screening of "Thirst: A Civil War Story", short film written and directed by local filmmaker John McCarty.

Watch for these titles to be arriving:

Last Mile – David Baldacci

As Time Goes By – Mary Higgins Clark

Larose – Louise Erdrich

Northville's Annual Village-Wide Garage Sale Set for May 6-8

The village of Northville will host its annual garage sale Friday, May 6 through Sunday, May 8, from 8 am to 3 pm.

Residents holding sales in the village do not need to get any sort of permit in order to participate in garage sale weekend.

Any professional vendors who want to participate in the village-wide garage sale will need to obtain a vendor permit from the Village of Northville office prior to May 4. Please call Village Clerk Wendy Reu at (518) 863-4211 for questions pertaining to vendor permits.

Anyone wishing to sell prepared food during the village-wide garage sale must obtain a permit from the Department of Health Utica office which can be contacted at (315) 866-6879. New York State law requires a permit to sell prepared food, however, this law excludes bake sales for organizational fund raising purposes.

Gloversville Second Southern Adirondack Wine & Food Festival

Sun, June 12 Downtown Gloversville

The Gloversville Business Improvement District (BID) has announced its second annual Southern Adirondack Wine & Food Festival, scheduled for Sunday, June 12, 2016 from 1pm-5pm on Main Street in downtown Gloversville. The event will feature tastings from New York wineries, local food vendors, music, tours of the architecture of the downtown area, and wine-related seminars.

"The BID is thrilled to be able to build on last year's

successes with this event, that brings people to our district, see the great shops, experience the beauty of the buildings, and have fun, too," said Jen Voorhees, Event Chair and President of the BID. "Downtown Gloversville has so much to offer to the people of our region and beyond."

The event committee is looking for sponsors for the event with a number of sponsorship levels for any business that is interested. Sponsorship information can be found online at www.gloversvillebid.org or on the Facebook event page: Southern Adirondack Wine and Food Festival.

Tickets for the event are \$15 per person pre-sale, and \$20 per person on the day of the event. There will be online ticket sales available after April 1. Tickets will also be available for sale at ticket outlets after April 1. Ticket outlets include the Gloversville office of the Fulton Montgomery Regional Chamber of Commerce at 2 N. Main Street, and at the Mohawk Harvest Co-operative Market at 40 N. Main Street in Gloversville. Additional ticket outlets will be announced closer to the April 1 date.

For more information about the event, visit the Gloversville BID website and/or Facebook event page or call Jen Voorhees at (518) 775-8904.

The Gloversville Business Improvement District is committed to creating an attractive area in downtown Gloversville that will encourage investment in the area and provide a friendly environment to downtown shoppers, businesses and other downtown users.

Signals of a Strong 2016 Housing Market

At CMK we constantly analyze data to stay on the pulse of the housing market. The recent signals are pointing to the strongest housing market since 2008. Days on Market are down substantially. MSI is dropping in every county. At CMK we are seeing multiple offers and sometimes above-asking-price offers. The market now has strong demand and low inventory. The numbers back up what we are experiencing on the ground. What does this mean to you? If you have been waiting for the market to improve to sell, now may be the time! If you are looking to buy, better move fast!

**April showers bring May flowers ...
flowers to be given on Mother's Day!**

The roots of the modern American Mother's Day date back to the 19th century. In the years before the Civil War (1861-65), Ann Reeves Jarvis of West Virginia helped start "Mothers' Day Work Clubs" to teach local women how to properly care for their children. These clubs later became a unifying force in a region of the country still divided over the Civil War. In 1868 Jarvis organized "Mothers' Friendship Day," at which mothers gathered with former Union and Confederate soldiers to promote reconciliation.¹

Another precursor to Mother's Day came from the abolitionist and suffragette Julia Ward Howe. In 1870 Howe wrote the "Mother's Day

Proclamation," a call to action that asked mothers to unite in promoting world peace. In 1873 Howe campaigned for a "Mother's Peace Day" to be celebrated every June 2. Other early Mother's Day pioneers include Juliet Calhoun Blakely, a temperance activist who inspired a local Mother's Day in Albion, Michigan in the 1870s. The duo of Mary Towles Sasseen and Frank Hering, meanwhile, both worked to organize a Mothers' Day in the late 19th and early 20th centuries. Some have even called Hering "the father of Mothers' Day."¹

The official Mother's Day holiday arose in the 1900s as a result of the efforts of Anna Jarvis, daughter of Ann Reeves Jarvis. Following her mother's 1905 death, Anna Jarvis conceived of Mother's Day as a way of honoring the sacrifices mothers made for their children. After gaining financial backing from a Philadelphia department store owner named John Wanamaker, in May 1908 she organized the first official Mother's Day celebration at a Methodist church in Grafton, West Virginia. While Anna eventually denounced the holiday she founded because of the commercialism,

the holiday tradition continues to this day.1

1 from history.com. For more complete and fascinating information about this holiday, go to history.com.

A member of the First UMC congregation, when she was a little girl, would pick tulips for her mother and present them on Mother's Day as her token of love! She didn't know the giving of flowers on Mother's Day was a tradition; she only knew they were beautiful and would make her mother smile. The real token of love was the number of hours her mother had spent planting the tulip bulbs so her daughter could find joy in picking the blooms.

We invite you to join us on Mother's Day (May 8), Pentecost (May 15), and every Sunday morning at 11 am for worship where you will hear interesting messages from the pastor and joyful music from our choir and flute ensemble.

On May 7, the United Methodist Women (UMW) will have a food sale on the front lawn. Stop by while out and about during garage sale

weekend.

Thrift Shop Hours are: Tuesdays, 3:30-6:30 pm; Fridays and Saturdays, 9 am-12:30 pm. We accept CLEAN gently worn clothing, free of animal hair, stains, tears, and cigarette smoke. We appreciate donations from the community but respectfully request that these guidelines be followed. If you are interested in volunteering for this mission outreach project, please let us know. New workers are always welcome.

Scouts meet weekly at First UMC on Thursdays at 6 and 7 pm, TOPS (take off pounds sensibly) meets on Wednesdays at 5:30 pm, and our choir meets on Thursdays at 6:30 pm.

Northville United Presbyterian Church

Weekend of May 7-8
Village Wide Garage Sale

The Northville United Presbyterian Church, located on Reed Street, is pleased to announce that once again, we will be participating in the Village of Northville's annual "Village-Wide Garage Sale"

Come join us and see all of the bargains available at the booths located on the Church's lawn, set up and run by our individual congregants, and promising to add new levels of merchandise and possible bargaining this year.

And best of all, our very popular food concession, located downstairs in the church's fellowship hall, will offer a variety of food starting at 10am on Saturday, May 7th... soups, breads, desserts, and, well, you'll just have to come and see all of the great food available! This is an important fundraising event for the Church, and our food concession is always one of the venues people flock to the most. Come early and often. Tables and chairs, as well as restroom facilities are available to diners.

We hope to see you all there!

Home is Where the Heart is ...

Years ago our daughter Heather made a cross stitch for us with this saying: "Home is Where the Heart is." Recently my husband and I attended Schenectady City Mission's annual banquet at the Glen Sanders Mansion. This cross stitch came to my mind while listening to how God is changing

lives through their ministry. Not only is the mission sharing the Good News of salvation with folks, but they are also making them feel at home by feeding, housing, encouraging them to put their lives back together and giving people a purpose in life. If you have ever attended a show at Proctor's Theater in downtown Schenectady then you have been welcomed by the mission's Ambassador Team. They open doors, smile at passersby and help people at cross walks. These folks live at the mission. I want to give a shout out to the Schenectady City Mission for the great job they do! They help people in need find the Lord, give them a purpose in life, and provide a temporary loving home.

In May we celebrate Mother's Day and think about how special our moms are to us. We also need to thank our moms for the loving homes they provide for us. My mom has been gone 10 years now, but I have many happy memories of her. I am so grateful for the mom God gave to me and my siblings. If you are a Mom who is presently raising children, I want you to know that this is one of your greatest blessings you have ... to give your children a loving and encouraging home. Those years go by too quickly! I want to encourage you young Moms. Spend time with your children - play with them, cheer for them, pray for them, bring them to church and tell them how much you love them. No one ever says at the end of their lives that they wish they had spent more time at work.

Speaking of Mother's Day, we are having a Mother/Daughter Tea at BCON Corner in May. Every woman and girl is a daughter, so that means we want all girls to come (no one is too young or too old to attend)! Call or email the church for the time and date, and to sign up. It will be a fun girls' event!

The guys held a Skeet Shoot at the Pine Tree Rifle Club last month. Between shootings they gobbled down some hot dogs and chips. (Yes, very different than our Ladies Tea when we will enjoy eating various delicacies and be drinking specialty teas!) Of course, they still had a great time and were very happy with the menu choice.

Our Fusion Marriage Conference was a great time of encouragement to many last month. We live in a self-centered world and, if we are honest, we all want our own desires met over our spouse's. At the conference we learned that a good marriage is a blessing from God, but needs to start by yielding ourselves to God first and then a good relationship with our spouse will fall into place.

grade) recently came to an end for this school year. The kids sang on Bible Club Sunday and enjoyed a Pizza Party that next day. We had eight 5th graders graduate who hopefully will be attending Jr. High Youth Group next school year. We want to thank all of our Bible Club teachers, adult and student helpers and cookie bakers who make Bible Club happen every week.

Last month a group travelled to Sight n' Sound in Lancaster PA to see their newest production, Samson. Everyone had a great time together and loved the show. Their productions are amazing! You need to put this trip on your 'To Do List'. I am sure there will be a group going again next year. A must see are their Christmas and Easter

productions ... so heart stirring!

Some new folks at church recently told us that they could not explain how loved and wonderful they felt after attending their first worship service with us. We are by no means perfect, but we do strive to love God and others, and to know Jesus better. I hope you can join us sometime. I look forward to worshipping God with you, too!

GREAT SACANDAGA LAKE FISHERIES FEDERATION INC.

With the summer boating and fishing season drawing near, a listing of the New York State motorboats and legal boating requirements is listed for your information.

All individuals born on or after 5/1/1996 are now required to successfully complete an approved course in boater education in order to operate a motorboat. Individuals less than 10 years of age may not take this course of instruction. This course requires a minimum of 8 hours of classroom instruction. Students must pass a final exam with a score of 76% or better. Students will receive a temporary boating safety certificate upon completion of the course.

Students 18 years of age or older will be required to pay a \$10 fee to NYS for issuance of a permanent boating certificate. Permanent boating certificates do not expire.

Operators may not operate a Personal Watercraft (Jet Ski, SeaDoo, etc.) unless they are 14 years of age and hold a boater safety certificate issued by New York State Parks, the USCG Auxiliary or US Power Squadron for having completed an 8 hour classroom based course of instruction.

More information concerning boating courses is available at <http://nysparks.com/recreation/boating/safety-courses.aspx>.

Following is a listing for a vessel equipment guide for boats less than 26 feet and for rowboats, canoes and PWC. This information is available in the New York State Boater's Guide.

Valid Registration - Required if mechanically propelled (commercially documented vessels are exempt)

Life Jackets - One USCG approved wearable life jacket for each person on board. In addition, vessels 16 feet and greater in length except for canoes and kayaks are required to have a USCG approved type IV throwable floatation aid.

Life Jackets - Must be worn by anyone under age 12 and all persons from Nov-May on vessels less than 21 feet
Sound Producing Device - Required if mechanically propelled (mouth whistle acceptable for vessels less than 39 feet)

Anchor & Line - Not required for PWC but required on mechanically propelled boats

Backfire Flame Arrestor - Required for all inboard gasoline powered engines

Fire Extinguisher - One B-1 for motor boats less than 26 feet. Not required for PWC.

Visual Distress Signal - Not required on motor boats less than 16 feet. Required for boats greater than 16 feet (Day or Night as Appropriate). Required on PWC.

Navigation Lights - Required for operation at night or limited visibility. Night operation not permitted on PWC.

Capacity Plate - Required on boats less than 26 feet, row boats and canoes. Not required on PWC.

Engine Cut-Off Lanyard - Must be functional and

attached to the rider on PWC.

Muffled Exhaust Required of all mechanically propelled vessels

Noise Level Compliance - 90 db Stationary, 75db Underway for all vessels with above water exhaust. Alterations and cutouts are illegal.

Recommended Equipment - paddles, oars, dock lines, marine radio or cell phone, tool kit, flashlight, fenders, first aid kit, spare fuel, spare fuses, GPS or chart etc..

For more information a copy of the New York State Boaters Guide can be downloaded from the nysparks.com website.

The DEC has adopted new regulations that require boaters to remove all visible plant and animal materials such as zebra mussels and spiny water flea from boats, trailers and associated equipment as well as draining boats prior to launching from DEC lands. The regulations pertain to all DEC boat launches, fishing access sites and other DEC lands where watercraft such as boats, kayak or canoes can be launched into the water. More information is available at www.dec.ny.gov/animals/48221.html.

Our Summer Fishing Contest will be held Saturday, June 18 form 6 AM until 4 PM. The contest will be held at Sport Island Pub. In commemoration of our 25th annual summer fishing contest, there will be door prizes valued over \$1,200. Winners will be drawn from paid entrants to this contest. Winners need not to be present. These items can be viewed at our website: GSLFF.com

Prizes are:

- 20V DeWalt hammerdrill/Impact combo
- Earthquake 5 ton electric log splitter
- Eskimo 3 person ice fishing shanty
- Husqvarna 16" chain saw
- Yeti roadie cooler
- \$50 Running's gift card

GSLFF continues to look for business's and individuals to donate items like hats, shirts, tackle, rods, promotional items, or gift certificates for the June raffle. Your business will be recognized on promotional materials that go to GSLFF members, alumni, community leaders and attendees. Your donation will also be acknowledged in the GSLFF newsletter and on our website with a link to your business. 100% of the proceeds from the raffle will be used to help fund our Annual Fish Stocking Program. In 2015 the GSLFF had over \$8,500.00 of items donated.

Please contact Brian Kedik at 518-469-8124 or bkedik@gslff.com for more information and to make arrangements for your donation, sponsorship, or to purchase tickets. Thank you in advance for helping us protect one of the greatest fisheries in New York State. Visit our website www.GSLFF.COM and click on the 2016 raffle page to see a list of prizes and links to the various companies that have donated these prizes. This site is being continuously updated. Information for purchasing tickets is also available on the 2016 raffle page. The federation always welcomes new members. The next meeting will be held at 7PM on May 17 at the Fish House Fish and Game Club, 478 Fayville Road, Broadalbin, NY. Additional information can be obtained at our website www.gslff.com or by contacting: Randy Gardiner at 843-6329.

Edinburg School News

Edinburg School Happenings by Ms. Kimberly S. Hromada, Superintendent

EDINBURG EAGLE TIDBITS Kimberly Hromada, Superintendent

Spring is upon us and it is the most enjoyable time to be an educator. Along with the blooming flowers and trees, this is the time that many students also begin to really bloom in the classroom. As an educator being able to sit down with parents and look at beginning and end of year writing samples, reading levels and other skills was always something that brought me great joy. There is no greater joy than celebrating the success of our children.

The PTO put on a fabulous breakfast with the Easter Bunny last month. Children and adults enjoyed pancakes, sausage, eggs, pictures with the Easter bunny and a couple of fun games.

The staff were treated to some great team building activities as part of our Spring Conference Day. We are thankful to our parent that volunteered to come and facilitate this for us.

Thank you to our PTO for these wonderful opportunities for our students.

DATES TO REMEMBER:

- May 17 Tea and Coffee with the Superintendent 6:00 p.m.
- May 17 Budget Vote 12-8 at the Edinburg Common School
- May 27-28 No School

- June 22 9:30 a.m. Moving-Up Day and 6th grade graduation/Reception

CELEBRATING TEACHERS:

Teachers have an incredible impact on the lives of our children. Our future success is based on the lives and growth of our students. We have all had a great educator who has made a difference in our

lives—that teacher who believed in us, excited us about learning, stayed after school to help us learn, a special coach who showed us how to be a positive leader and to work as a team. Educators touch hundreds of students in their career and May is a time to thank them for all that they do.

May 3 is teacher appreciation day. I am asking that the parents and community think about a note or sign of appreciation that you can share with teachers during the month of May to let them know how much they are appreciated for all that they do for our children each day of the school year.

In the short time that I have been at Edinburg, I have observed the teacher that goes above and beyond to work with students after school, to have lunch with students, to advocate for interventions when they are needed. I have watched a teacher take time to truly get to know each student and their strengths and weaknesses. I have watched teachers engage in meaningful conversations to ensure that their students are receiving the best writing instruction, the most caring approach to getting along with each other. Edinburg is blessed with a group of dedicated and caring staff committed to setting and achieving goals to best meet the growing and changing needs of our students to ensure their success. It is in this vein that I ask that everyone take time this month to personally thank a current or past teacher for the influence they have had in their life.

TOPS NY 1005 Northville

Some of the things that are happening at TOPS NY 1005 Northville.... Sherri Chamberlain brought in Bob Harper's (Biggest Loser) book called 'The Skinny Rules'. This was discussed by the group and a few of his principal nonnegotiable ideas are....

Drink large glass of water before every meal- no excuses! Don't drink your calories, Eat protein at every meal or stay hungry and grouchy, Slash your intake of refined flours and grains, Eat 30 to 50 Grams of fiber a day (just a side note if you do drink lots of water), Eat apples and berries every single day, No carbs after lunch, Learn to read food labels, Stop guessing about your portion size and get it right for good, No more added sweeteners, including artificial ones, Get rid of white potatoes, and make one day a week meatless..... To name a few!

Our KOPS biggest loser of the month was Marsha Miller! Other losers included: Terry Poulin, Leslie Casey, Bev Morgan, and Janice Whinney. Those losing after a holiday were Marsha Miller and Bev Morgan.

Our KOPS (keeping off pounds sensibly), Judy Frasier, Terry Poulin, Marsha Miller, Diane Mack, Nancy Franks, and Kristen Williams attended their annual luncheon at the Tuff Inn in Scotia. Diane Mack and Nancy Franks were recognized for reaching their goal weights this year and becoming a KOPS!

Every single one of us eats, how much we eat is largely because of what is around us. We overeat not because of hunger but because of family and friends, packages and plates, names and numbers, labels and lights, shapes and smells... this list is almost endless! For more than 60 years, TOPS has provided a reasonable, rational, support based way, to tackle food decisions and to set up winning pattern that Take Off Pounds Sensibly!

You have a TOPS group to support you!

Join us at TOPS NY 1005 Northville on Tuesdays! Weigh in is from 4:30-5:00pm with the meeting beginning soon after. We meet at the Bradt building (downstairs) and the first meeting is free.

For more information, call 863-8389 or visit us at www.tops.org on the web.

See you lighter!!

Happy Mother's Day

From Hawk On Back Page

there was helpful and polite to the Ahicks from the sticks@. We were thankful!

If this is the future of the restaurant industry, I am thinking I will stay home and eat. Sometimes a system like this makes sense. It depends on your mood and preference at the time. Bill and I, however, like to interact with people. This electronic system takes the personalization out of dining out. We noted there was little to no eye contact between staff and customers. Additionally, no one seated was talking. Literally everyone was playing on the electronic device in front of them. It was honestly a little disconcerting and to be truthful we could not wait to get on the plane and leave. On the positive side our food court steak sandwich was tasty and affordable.

The weekend was a wonderful, even if it was a blur. Friday night we went to Captain Nauti=s to listen to the band Off Kilter. We had a great evening reconnecting with our friends. Saturday was a beautiful day and after working around the house we stopped in at a barbecue and spent a few hours talking to people we have not seen in over a year. Later that evening, we had dinner at the home of good friends. Sunday morning was church, breakfast and a visit with Bill=s mom. In the afternoon we put the top down on the car and headed to Sport Island Pub where, once again, we ran into many friends. We love this lake. There are so many friendly people and we are fortunate to have so many choices of bars and restaurants. I hope that our community never loses its friendliness and ambience.

Memorial Day is coming up fast and the season will begin very soon. As you open your summer home, please remember to support all of our local businesses. You may pay a little more, sometimes, but it is generally worth it. You are dealing with people who care about this community, their business and their customers. They are proud of the products and services that they provide to you. We are all friends and family. Welcome back to the Great Sacandaga Lake!

Did You Know

We are on a plane, heading back to Florida. We booked a last minute flight home to meet with our staff and spend time with family. No one knew we were coming and, honestly, that made the trip even better. We just left Newark and we are on our way to Tampa. Newark airport... what can I say? It was newly renovated but we were not overly impressed. The terminal we were in had an upscale and ultra modern feel about it. We were hungry so we went to find something to eat. My first thought was wow, this is really nice. The first restaurant we went into had nothing that appealed to us, so we continued on. The second place was nice with plenty of places to sit and what appeared to be an abundance of staff. I admit I am ignorant! In order to get service you must use the ipad at your seat. If you do not, you will sit and wait and wait and wait until someone decides to help you. It took at least ten

minutes for someone to come over. He turned on our devices and took our drink order. He said he would be back in a few minutes to help us out. We tried to order food at this hoity toity airport restaurant but the device would not take our order or our credit card. The person who served our drink never came back and we just wanted to pay and leave. We flagged down another server who also had trouble. There was a sigh of relief, it was not us. She told us there were problems with the system. What an ordeal! We paid our bill and wandered around until we found the food court. They too have an electronic ordering system but it was easier to navigate and we got our food promptly. The staff hovering
