## EDINBURG TOWN REPORT

[www.edinburgny.com](http://www.edinburgny.com)

by Jean Raymond

WISHING EVERYONE A SAFE AND HAPPY  
SUMMER AND 4TH OF JULY

### Edinburg Town Park

The Town Park at the southern end of the Batchellerville Bridge is open to residents. The Beach is closed and NO SWIMMING is allowed. The gate is kept closed and cars are not allowed to drive into the park. You may access the park by walking around the gate or by using the sidewalk on the other side which goes under the bridge and down into the park. Please carry out any trash or garbage.

### Highway Department Help Wanted

The Highway Department has an opening for a full time employee with a CDL license. Contact Wayne Seelow at 518-863-8126

### Primary Election

There will be a primary election on Tuesday, June 28th. The polls will open at 6:00am and close at 9:00pm. Republicans will choose a candidate for Governor for the November election and Democrats will choose a candidate for Governor and a candidate for Lt. Governor.

### Saratoga County Fair

The Saratoga County Fair will be July 19th-24th at the County Fairgrounds. Events are still being planned. For additional information their web site is: [www.saratogacountyfair.org](http://www.saratogacountyfair.org)

### Town Hall Closed for Vacation

The Town Hall will be closing Friday, July 1st and reopen on Monday, July 11th for vacation. The phones will be checked regularly for messages and town officials can be reached at their homes if needed.

### EVENTS:

July 9th - Historic Edinburgh Day. Museums will be open and there will be horse and wagon rides.

### REMINDER:

THE RECYCLING CENTER AND TRANSFER STATION WILL BE OPEN FRIDAY, JULY 1st AND SATURDAY, JULY 2nd FROM 9:00-3:00.

GARBAGE COLLECTION WILL BE ON TUESDAY AND WEDNESDAY JULY 5TH AND 6TH.

Claudette Koza - Secretary

### HISTORIC EDINBURG FESTIVAL SATURDAY, JULY 9, 10 AM TO 3 PM RURAL MUSEUM AT 11 NORTH SHORE ROAD

Join us for the Historic Edinburg Festival. Edinburg is located 55 miles from Albany, 22 miles from Saratoga and 15 miles from Lake George. Enjoy the free horse and carriage rides by J & D Percherons. Shop in the arts and crafts booths. Homemade soups, chili and baked goods will be available. View the exhibits on hunting, fishing, maple sugaring, machine shop, weavers, and items of the country kitchen.

The Nellie Tyrrell Museum of Edinburg History is housed in the former one-room Beecher Hollow across the road from the Rural with archival documents such as photographs, maps, drawings, books, articles, paintings, and public and personal records. Visit the historic Barker's Store believed to be part of the Underground Railroad. See the secret hiding place for slaves that was discovered years

ago when the Robinson's were renovating the store. Introduce yourselves to new owners Katie Tarantelli Fitzgerald and Patrick Fitzgerald and see the antiques and creative wood crafts for sale.

Visit the Saratoga Snowmobilers Club table and talk with members about saving on your snowmobiles registration and pick up the brochure map of trails. Steve Gurzier will demonstrate his blacksmithing. Steve teaches classes at the Adirondack Folk School and where he demonstrates his craft on Open Forge Night. The Volunteer Edinburg Fire Department will have their trucks out to view and are having a raffle basket sale. A Car Show will be held outside Fuller's Store. Tour the historic Edinburg United Methodist Church built in 1836.

Follow North Shore Road a short distance and visit the Copeland Covered Bridge on Beecher Creek which is the only queenspost truss bridge in NYS. Park and walk across the Batchellerville Bridge over the Great Sacandaga Lake on your way to the festival.

### SATURDAY, JULY 19 AT 7 PM THE SAND HILL ONE-ROOM SCHOOLHOUSE ON TANGE ROAD

Storyteller "Uncle Josh" AKA Larry Cramer

The Edinburg Historical Society will be entertained with stories by Larry Cramer. A brief meeting of the Society will be held prior to the entertainment and coffee and baked goods will be served.

Larry graduated from the Technology Department at Broome Community College with an Arts and Science Degree in the mechanical field. He was employed at IBM and received two patents in the printed circuit manufacturing process. He served in the US Army Reserve with one year active duty during the Berlin Crisis. He has been active in his retirement as Camp Director Church Consultant, school bus driver, humorist, Hudson car/truck restorer, musician and has collected over 100 limericks and old obscure songs like Grandma's Lye Soap, He Never Came Back, Dead Skunk, Spearmint, and Grandfather's Clock.

## J and D Percherons

J and D Percherons is located on Tennantville Road in the Town of Edinburg. We have four registered Percheron mares, (Draft Horses), on our property. The horses are used for wagon rides and for special events such as weddings, proms, funerals, Christmas, Fall and other seasonal events. We have also used them for family rides.

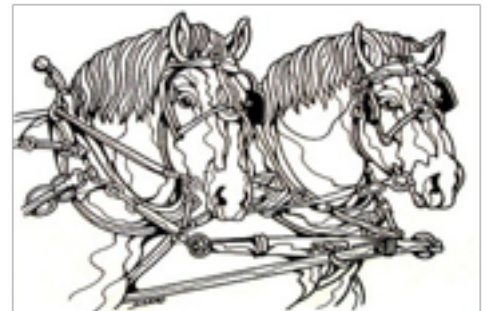

Our two main horses are April and Joy they are the team that is used for weddings and all of the events at this point in time. The other two are Sassy and Midge. We did have an additional horse that we started with, but, we lost our sweet Rose in 2019, she and Sassy were used for sleigh rides and for the Edinburg Historical Society's Fall Festival.

At this point in time Joel is breaking out Midge to use with Sassy for future events and to give April and Joy a break. Joel's next venture is to start sleigh rides on our property; this idea has been brewing in his mind since Covid. He is hoping he can be ready by this winter season. Our horses are usually out in the pasture during the late morning and early afternoon hours, we have seen

may a vehicle stop and admire them and we have actually had people stop in to just see them. If anyone is interested in draft horses, we are there to help answer questions and I am sure the horses would be glad to see you.

## Recipes From Gail

### Cherry Crumb Cake

2 cups sifted flour

1 cup sugar

2 teaspoons baking powder

1/2 teaspoon salt

1/2 cup butter

one egg

1 (1 lbs. 8 oz.) jar cherry pie filling

Sift together flour, sugar, baking powder, and salt into bowl.

Cut in butter until crumbly, add egg, mix with fork, press half of crumb mixture into greased 13" x 9" x 2" baking pan.

Spoon cherry filling over first layer. Top with remaining crumbs.

Bake in 350° oven 30 minutes or until golden brown. Cool in pan on rack. Serve warm, topped with whip cream or ice cream if you wish!

Makes 12 servings

## NORTHVILLE PUBLIC LIBRARY

Michael Burnett - Director 863-6922

Check out these free programs for the kids:  
reservations required

- Tues, July 19; 1 pm – “Fun Family Music” with Tom Seiling – with guitar, banjo, and harmonica, the show provides a lineup of some of the best kids’ songs, with much participatory singing
- Wed, July 13 & 27; 1 pm – “Kids Art” with Cheryl Miller

At the library: try guessing how many candies are in the jug and spin the prize wheel once a week.

Americana Trio Doghouse Carpenters will entertain at the Friends’ Annual Meeting on Wed Jul 13 at 630 pm. The band will provide a mix of traditional acoustic instruments in a variety of roots styles. A free ticket is required for admittance due to limited seating. Contact the library.

On Thu, July 21 at 630 pm: David Brooks of the Schoharie Crossing State Historic Site will discuss “15 Miles on the Sacandaga Canal”. Discover how our history and landscape almost changed from what it is today as we sought to expand our commercial reach and draw raw materials from the Sacandaga Valley and Adirondack Mountains down to the Mohawk Valley.

The MAMMOTH BOOK SALE will be held in the library’s parking lot. It is scheduled for Thursday and Friday, June 30 & July 1 (9-4) and Saturday, July 2 (9-3). The first day from 9-10 am only has an entrance fee of \$3 for early-bird shoppers. Great prices and great deals!

The ANNUAL ICE CREAM SOCIAL AND RAFFLE will take place on Saturday, July 23 from 5 – 8 pm in the library gardens overlooking the Great Sacandaga Lake.

“Now Showing” movies at the library on Thursdays at 1 pm will feature these award-winning films:

- July 7: “West Side Story” – remake of the classic musical
- July 14: “King Richard” – bio-pic of tennis’ Williams’ dad
- July 21: “Belfast” – a boy’s childhood in the 1960s
- July 28: “Eyes of Tammy Faye” – a bio-pic

### Hours:

#### September - March

Monday	9am - Noon
Tuesday	9am - 8pm
Wednesday	9am - 4pm
Thursday	9am - 4pm
Friday	9am - Noon
Saturday	9am - Noon

## Celebrating 200 Years!

by Dave Davidson  
Town of Day Historian

We're interested in meeting anyone interested in Day history. We collect personal and family stories, research topics, and volunteer opportunities are available at the museum. Contact Dave Davidson, Town of Day Historian, at sabbaticaldave@earthlink.net

### 1830-1880 The Middle Years

Day's population grows from 758 in 1830 to 1238 in 1880 - which is likely understated due to the number of uncounted itinerant workers, tradesmen, merchants and brokers in town. These workers are instrumental in supporting the primary trades of lumbering, leather tanning and wood product manufacturing.

Conklingville. The 4th largest manufacturing site in Saratoga County with a population of about 300. Was home to a large tannery, two woodenware factories, saw mills, a hotel, 4 stores, 3 churches, 2 schools. Most of the industry and population was on the west side, above the dam.

Day Center/Centre (Day Corners) Had 12 houses, a store, a hotel, a blacksmith, a school, 2 churches, and a sawmill/grist mill on Paul Creek.

Croweville. Home to a tannery, a factory to make tannic acid, 12 houses, and about 90 people.

West Day (Huntsville) Thriving with 20 houses, 2 stores, a blacksmith, a wagon shop, a clothespin factory, the Fraker Hotel, a cooper shop, a school, and a church.

## EDINBURG VOL. FIRE CO.

by Brian DeFeo

**Your safety is our  
number one priority**

From May 12th through June 12th, the Company responded to a total of twelve calls.

The following is our run sheet for that time period.

- 5/12 Brush Fire, Tennantville Road.
- 5/18 Motor Vehicle Accident, South Shore Road.
- 5/19 Mutual Aid, to Northville.
- 5/20 Mutual Aid to Providence.
- 5/20 Motor Vehicle Accident, North Shore Road.
- 5/28 Brush Fire, South Shore Road.
- 5/28 Motor Vehicle Accident, North Shore Road.
- 5/30 Mutual Aid to Providence.
- 6/4 Mutual Aid to Northville.
- 6/4 Mutual Aid to Northville.
- 6/6 Mutual Aid to Northville.
- 6/7 Mutual Aid to Broadalbin, lake rescue.

Generally each month I review some aspect of home safety. It seems particularly relevant that I briefly discuss firearms safety within the home. There is no point in quoting statistics here, as even

one accidental death is one too many. Suffice it to say the numbers are significant and it is often young children who find a loaded gun and end up shooting a friend, sibling, or sometime themselves. How do I know this is true - because it happened to me!

I think I was about twelve years old at the time. I was visiting my Aunt and Uncle in Pueblo, Colorado. They had several firearms in their house and did not have any children. Well, I must be truthful and tell you that I wasn't in their house five minutes. They had left a loaded gun on the coffee table and everyone but me had gone in the kitchen. I picked up that pistol and discharged it into the ceiling, which you can imagine caused a bit of a commotion.

Yes, things really can happen that quickly. Home gun safety needs to be a practiced plan, just like how your family should plan annually to leave your house in the event of an emergency. Home gun safety is sometimes trying to think how a young child might think. Are they curious, have they seen your weapon before. Then yes, most are very curious. How do you address that? It is also about educating your older children. What are your expectations of them? Do not think they don't know where you keep your firearms, they know. And then there are the more common precautions which folks still surprisingly flaunt. Such as; locked gun cabinets, trigger locks, and keeping the ammo in a separate and locked location.

Perhaps you don't have children in the home any longer. But the grand kids come over, they can sure move fast. Perhaps even faster than you. Or in my case, a twelve year old nephew who had never handled a gun before, until the moment he put a new air vent in the living room ceiling. Gun safety - is no accident.

PS. My Uncle went on to teach me to target shoot with his Remington 22 pump, which is a special keep sake of mine today.

## Ladies Auxiliary Basket Raffle

The Ladies Auxiliary will be holding a Basket Raffle on Edinburg Days, July 9. Tickets will be sold from 9 AM -2:30 PM, with the drawing starting at 2:30 PM. Tickets will be \$1 each or 6 for \$5.

We are asking for donations of either items to help fill the baskets or money for us to purchase items to finish filling the baskets. Contact person to donate to is Chris Olmstead at 518-863-8483.

The Auxiliary is also looking for volunteers to join our ranks. We are responsible for providing coffee, water, and food to our Firefighters when they are on scene at fires and accidents. Our meetings are held on the second Thursday of every month at 7 PM at the Firehouse. Contact Chris Olmstead at 518-863-8483 or join us at our next meeting.

We will also have a rummage sale on Edinburg Days. Anyone wishing to have a table can make a donation to the Ladies Auxiliary to rent the space. Contact Chris Olmstead if you are interested in reserving a space. Spaces are limited.

## Flower Talk

Sally Peck, of the Flower Barn

The rose is one of the most beloved of all flowers and has been revered for centuries. As Shakespeare wrote "What's in a name? That which we call a rose by any other name would smell as sweet." It didn't start with Hallmark or Florists. Rose fossils claimed to be millions of years old were found in Colorado. 5,000 years ago they were grown in China where the red rose originated, while the yellow rose was discovered by accident. The original colors were shades of pink or white.

The sharp spikes on the stem of a rose known as "thorns", are actually called prickles. Roses possess a protective layer petal known as the guard petal which protects the inner flower as they bloom, and when they are cut and handled. Some florists remove the guard petals so the flowers are more appealing.

In ancient Asia Vishnu, god of India, formed his bride, Lakshmi, from 1,116 rose petals. So the early rose became a symbol of beauty.

In Greek mythology: Chloris, the Goddess of flowers created the rose by giving life to lifeless body of a nymph; Aphrodite, the Goddess of love gave her beauty and Dionysus, the God of wine presented her nectar to give her sweet scent; giving her charm, brightness and joy. The rose is associated with both the Greek and Roman goddesses of Love. This is the reason for its popularity with lovers

In Rome a wild rose would be placed on the door of a room where secret matters were discussed. The phrase sub rosa, or "under the rose", means to keep a secret and is derived from this ancient Roman practice. During Roman times, the history of the rose gets a bit ugly. Peasants were required to grow roses instead of food crops in order to satisfy the demands of their rulers. They filled their pools and fountains and rooms with petals as well as a confetti for celebrations, for perfumes and even medicinal purposes.

Cleopatra believed that rose petals were an aphrodisiac, requesting that her servants cover her bed in fresh roses each day. When she held a banquet in 42 B.C. for her lover Mark Anthony, she requested that the floors be covered in 2 feet of rose petals. (That is a lot of roses, thanks to the peasants).

## From Previous Page

During the fifteenth century, the rose developed its name the "War of the Roses". The white rose symbolized Yorkshire and the red rose Lancaster for the factions fighting to control England.

Emperor Napoleon believed that roses had powers for healing. He ordered that bags of dry rose petals be given to each of his officers. If they suffered a gunshot wound the petals were boiled in white wine and applied to the wound to treat lead poisoning.

In 1986 the rose also became the floral emblem of the USA. It is the official flower of New York, Iowa, North Dakota and Georgia.

For the Christians, the rose is one of only three flowers mentioned in the Bible. During Medieval times the five petals of the rose were identified with the five wounds of Christ. The rose later became associated with the Virgin Mary as well as the Rosary, which was originally a string of 150 dried roses.

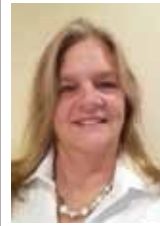

Roses are in the same family as apples, which is why their fruits bear such a resemblance to them. Rose hips are the seed pods of roses—the fruit that remains after the blooms fade. Rose hips have a bit of a tartness of crab apples and are a great source of vitamin C. They are used in supplements, teas, jams and skin care.

Rose petals are most commonly used to flavor dishes in Indian, Chinese and Middle Eastern cuisine. They garnish everything from drinks to cakes. They are added to water or butter, even chocolate to infuse flavors. ( Don't use rose hips or petals from plants that have been treated with pesticides).

The rose has always been a timeless symbol in history, religion, art and literature. While each color expresses love, beauty and balance a little differently, the main message is still always love!

## Sacandaga Valley Arts Network

Hello! I am Sandy Peters, Gallery Manager at the SVAN Gallery & Gift Shop in Northville (303 South Main Street). It has been my great pleasure to meet so many wonderful artists, arts supporters and members of the Sacandaga region community since February 2017, when I first began my work with SVAN. Many of these individuals have also been instrumental in keeping the SVAN Gallery open and making it a meaningful part of our mission to promote the arts in the Sacandaga region, some from SVAN's inception and from others who more recently entered the arts realm and SVAN membership. Though we are a very fortunate organization with some very dedicated volunteers, we find a need for others to join in our efforts. What can new members, community residents and others do to help out? Spread the word! Since moving further up South Main Street, some folks don't realize where we are, even though we moved about 5 years ago! While times are tough for many of us (do I need mention covid or inflation), we often offer enjoyably-distracting art activities and events (recently, Dianne Knapp offered macrame, creative stitchery and an outdoor event that held in a beautiful wooded property). Our next gallery reception is on Friday, July 8th. Come join us! If you like helping out, just let us know!

## From Previous Page

We have all kinds of needs from minding the desk to dusting the shelves or preparing refreshments for receptions.

On June 25th, SVAN artists will be dropping off new art works at our Northville and Vail Mills galleries, which will be on exhibit from July 1st through August 28th. If you haven't seen the current exhibit, be sure to stop in the Northville gallery location during our business hours: Fridays from 2:00 p.m. to 6:00 p.m., Saturdays from 11:00 a.m. to 4:00 p.m. and Sundays from 11:00 a.m. to 2:00 p.m. You are also welcome to request a special appointment by emailing [artcenter@svanarts.org](mailto:artcenter@svanarts.org) that will come straight to me or text me at 518-774-1799.

At the July 8th reception (3:00 p.m. to 6:00 p.m. ) artists will be available to speak about their work. Light refreshments will be provided. At 4:00 p.m. I will be taking some time to introduce myself, both as SVAN Gallery Manager and as a local, landscape, wildlife and nature photographer sharing how these roles have become a meaningful part of my life.

SVAN's mission to promote the arts is inclusive of many forms of art, including musical art, theater art, literary arts and visual arts. The music program is well established through the hard work of Board members Barb Spaeth and Don Hoffman, one of our favorite area musicians! The first of SVAN's evening summer concerts held in Northville's Waterfront Park will kick off on July 2nd as part of the Northville "Doins"! The duo "Sirsy," a rock and soul duo with lots of pop sensibility and just the right amount of sass, will be performing at 6:00 p.m. If you want to preview this group, take a look and listen at <https://www.sirsy.com/videos/list/>. These evening concerts will continue every Saturday evening at 6:00 p.m., rain or shine, throughout July and August. For more information on the other 9 concerts go to [www.svanarts.org](http://www.svanarts.org).

We thank Carolyn Wilcox for her efforts in bringing SVAN Art Trails to our calendar on the weekend of August 20 - 21. A printed map with studio locations and artist information, designed by graphic artist Linda Hinkle, will be available in many locations for this self-guided tour of artist studios.

The Northville Public Library Gallery Coordinator, Janene Bouck, is thrilled to announce a new installation of art by photographer William Adamczak, entitled, *Getting Started*. Although Will is only three years into his photography practice, his landscape and nature photos are featured in several magazines, including *Wildlife Photographic Magazine*. Adamczak also won the grand prize in the most recent *Adirondack Life Magazine's* photo contest. All are welcome to meet photographer Will at the exhibit reception, 6:00 p.m. to 8:00 p.m. on July 19. Light refreshments will be served.

SVAN's Arts Jubilee, which will be held on September 24th at the Northville Waterfront Park, is a celebration of the arts in honor of our 25th Anniversary. The community will be invited at no charge to this old-fashioned hometown fair with entertainment, food and beverages, demonstrations, games and special items to see and purchase, all with an art theme. Multiple booth spaces will be available for vendors. Entrance into the Arts Jubilee will be free! But we can't do it alone! We need Artists, Musicians, and vendors. We need volunteers to man booths. We need your support in general. Interested? Know of someone who fits the bill? Let us know! It going to be a great celebration!

In closing, we continue to thank the faith community of the First United Methodist Church of Northville for affording us the use of their house at 303 South Main Street in Northville for use as an art center, gallery and gift shop. Come visit our SVAN members and artists there; it will be the first of many enjoyable visits!

## The Star-Spangled Banner

*O say can you see, by the dawn's early light,  
What so proudly we hail'd at the twilight's last gleaming,  
Whose broad stripes and bright stars through the perilous  
fight  
O'er the ramparts we watch'd were so gallantly streaming?  
And the rocket's red glare, the bomb bursting in air,  
Gave proof through the night that our flag was still there,  
O say does that star-spangled banner yet wave  
O'er the land of the free and the home of the brave?*

*On the shore dimly seen through the mists of the deep  
Where the foe's haughty host in dread silence reposes,  
What is that which the breeze, o'er the towering steep,  
As it fitfully blows, half conceals, half discloses?  
Now it catches the gleam of the morning's first beam,  
In full glory reflected now shines in the stream,  
'Tis the star-spangled banner - O long may it wave  
O'er the land of the free and the home of the brave!*

*And where is that band who so vauntingly swore,  
That the havoc of war and the battle's confusion  
A home and a Country should leave us no more?  
Their blood has wash'd out their foul footsteps' pollution.  
No refuge could save the hireling and slave  
From the terror of flight or the gloom of the grave,  
And the star-spangled banner in triumph doth wave  
O'er the land of the free and the home of the brave.*

*O thus be it ever when freemen shall stand  
Between their lov'd home and the war's desolation!  
Blest with vict'ry and peace may the heav'n rescued land  
Praise the power that hath made and preserv'd us a nation!  
Then conquer we must, when our cause it is just,  
And this be our motto - "In God is our trust,"  
And the star-spangled banner in triumph shall wave  
O'er the land of the free and the home of the brave.*

*From Francis Scott Key's manuscript in the Maryland  
Historical Society collection.*

## NAV-ED Lake Safety

by Captain Peter M. Byron  
NAV-ED Services Group

### Fuel and Boating Safety

The boating season is underway! The boats are on the water and it is time to start looking at a few U.S. Coast Guard (USCG) recommendations.

These include one on gasoline selection which was published in the August 8, 2019 issue of the Boating Magazine and highlighted before Memorial Day by the USCG. The second is a recent Marine Safety Alert (08-22) issued on June 2, 2022 regarding boating near a mix-use waterway such as a launch area.

### Gasoline Warning (Unleaded 88 or E15)

Sometimes we are barraged by information and it is only later that the information becomes relevant for us. E15 or Unleaded 88 fuel was approved for sale in 2012 but has not been sold until recently between June 1 through September 15.

Now, we fast forward to our current fuel situation. E15 or Unleaded 88 fuel can be purchased at local gas stations throughout the year and we are in a situation where the price of fuel has become a major issue for auto as well as boat 'drivers'!

Let me explain. I first became aware of the potential problem after seeing a USCG safety notice on the Great Lakes which reminded boaters that "... boat engines do not handle E15 gas well. E15 is short for fuel that has a 15% mix of ethanol. In boat motors, E15 has shown to cause more engine failure, including a higher rate of engine fires. It can also void the engine's warranty."

There is also a reference to an article in the Boating Magazine in 2019 indicating that "... pumping E15 into a boat, motorcycle or lawn mower is a

violation of federal law." (<https://www.boatingmag.com/e15-gas-is-bad-for-boat-engines/>)

In that article, Jeff Wasil, the engineering manager of emissions testing at BRP/Evinrude, noted: "The concern is what happens to the components when the engine is not used for some period of time .... This is when the higher ethanol content can start to do its damage to these fuel-system components. Remember, ethanol is a harsh solvent, and more ethanol is an even stronger solvent." There are two main concerns ... "One is motors running on E15 for too long, causing them to overheat. The other, motors sitting idle with E15 in the tank and fuel lines."

At this point it is important that boaters be aware of the fuel situation and take steps to ensure that their boating is safe for themselves, their crew, their passengers and their equipment!

Marine Safety Alert 08-22: Slow Down, Look Around and Be Aware of Your Surroundings when Transiting Near Launch Areas

There are few places on the water that are more hectic than launch areas. The launch area is the place where the land meets the water and everyone wants to show their skill in transitioning

**[www.adirondackgenerators.com](http://www.adirondackgenerators.com)**

effortlessly between the land and the nautical world! This is the spot where the boat skipper and her/his crew is at their finest.

Oh, no! The USCG has just alerted us to another issue with the launch areas which we may have not considered. After you launch your boat, whether is it under sail, powered or paddled, YOU have just entered a world with the chance of being hit by another vessel transiting passed the launch but really not paying too much attention!

The USCG set the scene and described the outcome for the activity which prompted their Marine Safety Alert. (I added my italics and bold print at the end of the quote.)

"While transiting a mixed-use waterway, a motor vessel capsized a kayak in its wake, jettisoning the kayaker into the water. This incident occurred near a known kayak launch and was third such event within a short time span. **IN THE MOST RECENT CASE, THE MOTOR VESSEL'S OPERATOR FAILED TO SEE THE KAYAKER IN THE WATER WHILE TRAVELING AT 16 KNOTS WITH CLEAR VISIBILITY.**" (my italics and bold print)

As the boating season begins, it is important to emphasize that we don't have a 12 month boating season and for some, this is the first time they have ever 'piloted' a boat.

The recommendations made by the USCG are very direct: 1) local authorities should consider enacting speed limits and place buoy markers; 2) vessels are responsible for their wakes and they should avoid 'negatively impacting' docks, activities and other boats; 3) vessels must be operated at a safe speed; 4) maintain a lookout (by sight and hearing); and 5) render assistance without endangering their own vessel and crew or others.

**Open: Monday-Saturday 9-5 Sunday 10-3**

## From Previous Page

The State of New York does not require on-the-water training for boaters who are applying for a Boater Safety Certificate. Before closing on this topic, I would like to offer a suggestion which worked well when I was introduced to sailing and certainly should be an option worthy of consideration. Boaters are like family and everyone should benefit from the wisdom of individuals who have experience on the water. REMEMBER: the USCG notice clearly stated that the 'incident ... was the same such event within a short time span.'

Boaters always have stories. Before closing, here is one of mine! After shopping for a sailboat, I found what I thought was the perfect purchase. It was easy to transport and set up. The sailboat dealer was fabulous and gave me information about a group of sailors who met on the lake. I

traveled to the launch area, set the boat up, pushed it off shore and picked up the wind!

Within an hour, I went head-over-heels on the boat twice and was assisted by members of the fleet on both occasions. When I made it back to shore my new friends told me that the dealer had mentioned that I was coming to the lake. One of the sailors recommended that I sail again the following weekend as crew with him and leave my boat at home!

That was the greatest recommendation I could have received. I had new friends and new mentors all at the same time.

## Operators of Boats without a Motor and the New York State Safe Boating Certificate

New York State has been slowly phasing in a requirement for everyone to complete the New

York State Safe Boating Course in order to legally operate a boat on New York State waters. Individuals who were born after January 1, 1988 (34 years of age) must currently hold a valid New York State Boating Certificate. The requirement is crafted to require a certificate for everyone in 2025. Details on the regulations regarding the operation of vessels, personal watercraft and deadlines for the certificate requirements can be found at: <https://parks.ny.gov/recreation/boating/education.aspx>

## HOFFMAN STAMPED CONCRETE

**[hoffmanstampedconcrete.com](http://hoffmanstampedconcrete.com)**

**[info@hoffmanstampedconcrete.com](mailto:info@hoffmanstampedconcrete.com)**

**FULLY INSURED**

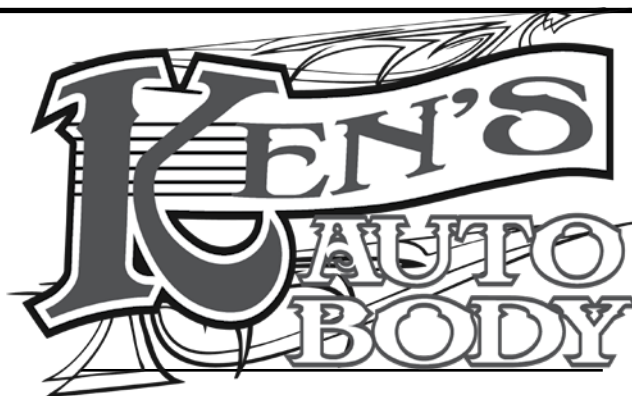

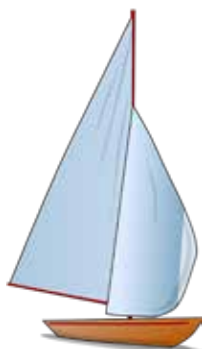

The State reminds everyone that "... operators of sailboats, kayaks, standup paddleboards, rowboats, canoes and any other watercraft without a motor are not required to have a boating safety certificate to be on the water". But, if you are on the water, don't you want to know what the boaters know?

We will continue our conversation next month!

Be SAFE in the Spring, Summer, Fall and Winter!

*Peter M. Byron who holds a New York State Public Vessel license has taught NYS Boater Safety Classes and USCG courses on the Great Sacandaga and in the Capital District for many years.*

## Northville Rotary Grows "Service Above Self"

### Northville Rotary's Annual Woodworking and Fine Arts Weekend July 15-17

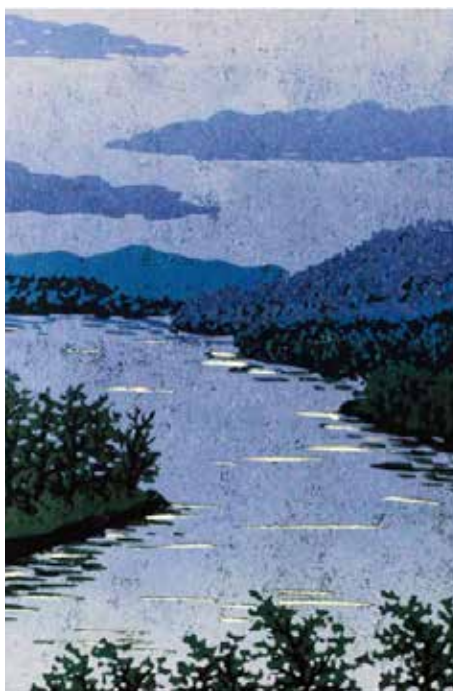

Northville Rotary's Thirteenth Annual Woodworking and Fine Arts Weekend will feature more than 50 accomplished artists from this area and beyond. Woodworkers, jewelers, weavers, potters, photographers, painters, and many others artists will display and sell their artwork at the Bradt Building and Park on Main Street in the Village of Northville. Meet our Featured Artists Diane Castle Babcock who creates exquisite linoleum block prints and Neil Pedersen with his incredibly creative art from wood and steel.

The weekend will begin with a "Meet the Artists" Pre-Sale on Friday from 5:00-8:00. Hours Saturday will be 9-4 and Sunday 10-3 and include demonstrations, raffles, and a silent auction. Food can be purchased from a number of vendors. Proceeds from this event will be used throughout the year to provide scholarships to students, support community organizations, and projects of Rotary International. Hope you can join us!

# Northville News

On April 1, 2022, the Village of Northville welcomed a new Mayor and two new Trustees.

Mayor Sue Eckert, Trustees Janet Rudd and Kathleen Terwilliger were elected to their respective positions in the March election. We said goodbye to former Mayor John Spaeth and Trustee Steve Collins at the end of March. We are grateful for the service they performed for the Village during their terms in office. John Spaeth still volunteers his time to assist the Village moving forward the grant projects that were awarded under his term and we are thankful for that.

The newly elected officers, along with sitting Trustees Sue Sedon and John Markiewicz meet the third Tuesday of every month, at 7 p.m. in the conference room of the Bradt Building located at 412 S. Main Street.

Exciting things are happening in the Village. We recently completed a village wide street light replacement program with an LED conversion. We were also awarded a grant for the design portion of our much-needed walkway at the Spillway, along with a grant to perform a study on dredging the Little Lake and those projects are moving forward.

The Annual Garage Sale Weekend, was held the first full weekend in May, a tradition that will continue future years. Looking ahead to June and July, more events will be occurring in the Village. The Farmers' Market will be kicking off in the Waterfront Park on Saturday, June 25th from 10-2 and will be running through September 3rd. SVAN has requested permission to conduct their Summer Concert series in the Waterfront Park, kicking off on Saturday, July 2nd

and running through the end of August. More information on the concert series can be obtained from SVAN.

And, YES, there will be DOINS July 1st and 2nd. Details can be found of the Village of Northville Facebook page and on fliers around the community. They will not be the traditional DOINS that many of you remember, but there will be a food, vendors and entertainment in the park on Friday, July 1st, from 5-10 p.m., along with a parade at 1 p.m., food, vendors, SVAN concert featuring SIRSY, and fireworks on Saturday, July 2nd. We look forward to the return of this event and hope to see you all there!

Friday July 1st	Saturday July 2nd

## Sun, Sand and Swaying in the Breeze!

by Janice Hawk-Baldwin

Happy July! I am sitting here in N.Y. in our RV writing this article on borrowed laptop. Two weeks ago I wrote my July article. I wanted to proof it, one more time, the next day. The next day turned into ten days. When I turned my computer on, the day before driving to New York it would not load windows. The day that I shut it down it was scheduled for an update. I tried everything

that I read about to fix the problem, however, nothing has worked. I cannot access any of my information. I brought my laptop to have someone I know try to fix it. He is on vacation in Alaska. If I had finished the article the next day like I was supposed to I would not be in this bind. I am thankful to my daughter in law, Sandra Baldwin loaned me her lap top to write this.

We will be here three days before flying back to Key West with the grandkids. They will be visiting with us for two and a half weeks. Two days after we get back Jeremy and a friend and his son are flying down for a fishing tournament. Everyone is very excited. Our little house is going to have seven people in it for five days. I keep telling myself that clutter and disarray is ok for five days. Two teenage boys, three grown men, a preteen girl and me...Lord have mercy. I have already

# Kingsboro Lumber Co.

22 Gregory St.,  
Gloversville, NY 12078

**518-773-7939**

Mon.-Sat. 7am-5pm

spent \$500 on snacks and breakfast food. I still need to go to the store, once more, before everyone arrives. I know how much they can all eat! The memories that will be made are more important than anything else. There does not need to be a plan. The basics will be available and everything else will work itself out. The memories and the laughter will more than outweigh the clutter. At least that is what I am counting on. Optimism is everything! This vacation with the kids will be all about fun. Fishing, swimming at the sand bars, snorkeling on the reefs, dinners out or whatever else the kids want to do is on our agenda.

July is the time for families to make memories on the lake. Camping, boating, skiing, wakeboarding, swimming, kayaking, sailing, jet skiing. There are so many opportunities to interact with others and have fun. Don't miss a single opportunity to do so. Remember we do not need a perfect plan and an agenda. Just let things happen and experience fun through the eyes of our children and grandchildren. Act like a child yourself. Do silly things and laugh hard together. Make the memories that will last a lifetime.

I have lost half of my article three times already

and yes there was some yelling and a swearword or two. In order to get this submitted, this will be short and sweet. I apologize in advance for any typos. I really need to finish this and hit send. God is still trying to teach me patience. We are all a work in progress.

I hope you all have a happy and safe Fourth of July with your family and friends! See you on the lake!

## First United Methodist Church

301 South Main Street  
PO Box 476, Northville, NY 12134  
Church Phone: 518-863-4911

Sunday Worship, 11:00 am  
Ron Talbott, Pastor

Facebook: First United Methodist Church of Northville  
website: [firstumcnorthville.weebly.com](http://firstumcnorthville.weebly.com)  
e-mail: [northvilleumc@gmail.com](mailto:northvilleumc@gmail.com)

Greetings from the members and friends of First UMC! We invite you to spend some time with us in word, song, and prayer during worship on Sunday mornings. Regular Sunday worship is at 11:00 am in the church's sanctuary. There is a ramp at the front of the church building and a chair glide to assist entry into the sanctuary is stairs are a problem. We also invite anyone who would like to sing with the choir to join us for rehearsals on Thursdays at 6 pm.

July is upon us and with that comes family gatherings ... maybe a reunion or two ... boating, swimming, parades, festivals, farmer's markets, camping, summer youth programs and many other opportunities for fun. Many churches have their choirs on hiatus for the summer months but we at First UMC enjoy our choir every Sunday morning. Often, we have our wonderful flute players providing beautiful music as part of our worship experience. July also reminds us of the reason we are able to do all these things ... freedoms that were given us 246 years ago when independence was declared on July 4, 1776. One of those

freedoms is the opportunity to worship openly without persecution. May God continue to bless His children as they seek Him in freedom. Happy Birthday, America!

A prayer for July: "God of freedom, I pray for the time when all "earth and heaven [will] ring ... with the harmonies of liberty" (James W. Johnson). (from The NEWSLETTER Newsletter publication)

On July 16, starting around 11 am, we will have a hot dog/hamburger grill and bake sale on the front lawn of the church. Stop by for lunch or a sweet treat (or both!). We look forward to seeing you.

On December 31, our church will celebrate it's 150th year in this community. We are in the process of organizing a committee so we can present a celebration later in the fall. We are excited about this event in the life of our church. Stay tuned!

Continue to be in prayer for: the people of Ukraine; the victims' families and the survivors of mass shootings recently experienced at a grocery store in Buffalo, NY, a church in California and a school in Ulvalde, TX and, sadly, other communities in this country; land being devastated by wildfires in various western states; and, those whose lives have been disrupted by tornadoes and other devastating storms.

Our Thrift Store ministry is open and thriving. Hours are: Tuesday, 2-5 pm; Friday and Saturday, 9:30 am – 12:30 pm. Shoppers are asked to bring their own bags if possible. All purchases are by donation. Gently worn, good, clean, used clothing only is accepted and welcomed. Please DO NOT donate household items, toys, etc.

Peace and blessings to all!

## Old Glory

The national flag of the United States of America, often referred to as the American flag or the U.S. flag, consists of thirteen equal horizontal stripes of red alternating with white, with a blue rectangle in the canton (referred to specifically as the "union") bearing fifty small, white, five-pointed stars arranged in nine offset horizontal rows, where rows of six stars (top and bottom) alternate with rows of five stars.

The 50 stars on the flag represent the 50 U.S. states, and the 13 stripes represent the thirteen British colonies that declared independence from the Kingdom of Great Britain, and became the first states in the U.S.

Nicknames for the flag include the Stars and Stripes, Old Glory, and the Star Spangled Banner.

The United States Flag Code outlines certain guidelines for the flag's use, display, and disposal. For example, the flag should never be dipped to any person or thing, unless it is the ensign responding to a salute from a ship of a foreign nation. This tradition may come from the 1908 Summer Olympics in London, where countries were asked to dip their flag to King Edward VII: the American flag bearer did not.

The flag should never be allowed to touch the ground and should be illuminated if flown at night. The flag should be repaired or replaced if the edges

become tattered through wear.

Section 8, entitled "Respect For Flag", states in part: "The flag should never be used as wearing apparel, bedding, or drapery", and "No part of the flag should ever be used as a costume or athletic uniform".

The flag should never be displayed with the union down, except as a signal of dire distress in instances of extreme danger to life or property.

The flag should never touch anything beneath it, such as the ground, the floor, water, or merchandise.

The flag should never be carried flat or horizontally, but always aloft and free.

The flag should never be used as wearing apparel, bedding, or drapery. It should never be festooned, drawn back, nor up, in folds, but always allowed to fall free. Bunting of blue, white, and red, always arranged with the blue above, the white in the

middle, and the red below, should be used for covering a speaker's desk, draping the front of the platform, and for decoration in general.

The flag should never be fastened, displayed, used, or stored in such a manner as to permit it to be easily torn, soiled, or damaged in any way.

The flag should never be used as a covering for a ceiling.

The flag should never have placed upon it, nor on any part of it, nor attached to it any mark, insignia, letter, word, figure, design, picture, or

drawing of any nature.

The flag should never be used as a receptacle for receiving, holding, carrying, or delivering anything.

The flag should not be embroidered on such articles as cushions or handkerchiefs and the like, printed or otherwise impressed on paper napkins or boxes or anything that is designed for temporary use and discard. Advertising signs should not be fastened to a staff or halyard from which the flag is flown.

No part of the flag should ever be used as a costume or athletic uniform. However, a flag patch may be affixed to the uniform of military personnel, firemen, policemen, and members of patriotic organizations. The flag represents a living country and is itself considered a living thing. Therefore, the lapel flag pin being a replica, should be worn on the left lapel near the heart.

The flag, when it is in such condition that it is no longer a fitting emblem for display, should be destroyed in a dignified way, preferably by burning.

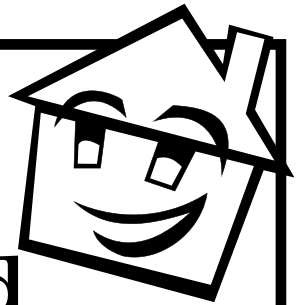

## DANGEROUS ON THE ROAD

Driving down North Shore Road the other day, I was coming home from work about 8:45 PM, when I came up on a side by side driving in my lane at around 15 mph. I slowed to about 35 mph, and after a moment, pulled into the left lane to pass. The moment I was about to pass, the driver decided to turn left, directly in front of my vehicle. I jumped on the brakes, yanked the wheel and headed for the ditch, and laid on the horn. I heard and felt a collision before coming to a stop at the edge of the ditch.

Luckily, the driver and his dog were not harmed. Checking for damage I realized that because of my fast response I only clipped his turned front wheel, leaving scratches and a scuff of rubber on my wheel rim and down the side of my truck.

This could have gone a completely different way. Had he chosen to turn even just a half second before, I would have wiped out the front of his vehicle, possibly seriously injuring him. He claimed he thought maybe he had signaled with his hand, but I never saw it. He apologized

profusely, and offered to pay for the damage to my truck.

Not only was he not paying attention, but these types of vehicles are not even legal to drive on the road. He had no mirrors, no turn signals, no brake lights, and was driving down the center of my lane slowly. As my headlights were on, I can't even fathom how he didn't see I was passing, much less deciding to turn in front of me.

I'm all for partying and enjoying the summer at the lake, but leaving the beach with a dog in your side by side and then driving slowly down the middle of the road at dusk, and being unaware of traffic is just asking for trouble.

I hope this man learned a valuable lesson. I thank God no one was injured or killed. It could have been a tragic end to an otherwise beautiful evening.

If you must drive your side by side on the road, **USE THE SHOULDER** and **REMAIN VIGILANT** to your surroundings. If you have been drinking, have someone else drive. We don't need any more terrible and senseless accidents on our roads.

**PLEASE STAY SAFE!**

## Northville Meal Site Menus and STFSL's Program Calendar for July 2022

Lunches and programs are held Thurs at the Northville Meal Site which is newly located in the Fellowship Hall in the basement of the Presbyterian Church, 161 Reed St. Northville. The site is accessible by stairs and by elevator.

# Power your life

Make power outages  
a thing of the past  
with a home standby  
generator.

## Are you prepared for Power Outages?

Power outages... we've all suffered through them. The good news is, you don't need to any longer. Generac home standby generators automatically provide backup power during a utility power outage – whether you're home or away. Whether it's for a few hours, or several days, your family and home are protected. So sure, keep the candles and flash lights, but it's time to get serious about preparing for power outages.

## NORTHAMPTON AMBULANCE

### Volunteers Needed

Drivers – Aides – EMTs – CCTs – Paramedics

We provide:

Training  
Uniforms  
Pagers  
Radios

For more information, an application form, or to schedule an interview, please send an email to: [northamp@frontiernet.net](mailto:northamp@frontiernet.net)

### Continuous Recruitment

We are a Paramedic level ambulance service operated by the Town of Northampton and certified by the State of New York Department of Health, Bureau of Emergency Medical Services and Trauma Systems. Our primary response area is currently the Village of Northville and the Towns of Northampton and Hope. We seek local residents with a high sense of commitment to neighbors and community and a "get it done" approach to life to help staff our ambulance. All applicants must be 18 years of age, possess a NYS Driver's License, and have reliable transportation for response to ambulance calls.

## The Property Owners Association of Day Annual Meeting

The Property Owners Association of Day will hold its annual meeting on Saturday July 23rd at 10 a.m. in the Town of Day Town Hall, located at 1650 North Shore Road, Day, NY. The public is encouraged to attend.

Our guest speakers will include Diana Edwards, Supervisor of the Town of Day. Diana was elected to office last fall. She will be able to answer questions about the town and what changes she would like to see. John Callaghan, Executive Director of the Hudson River Black River Regulating District will discuss the plans for making improvements and repairs to the Conklingville Dam. It should be noted that the Hudson River Regulating District is Celebrating its 100 - year anniversary. A member of the Sacandaga Protection Committee will be discussing issues that face the lake community that they have been working on and fundraising events.

## Northville Baptist Church

*by Barbara Klueg*

111 North First Street, Northville  
518.863.8001 [bconny.org](http://bconny.org)  
Sr. Pastor: Pastor Andrew Larson

### What to Do First?

Life is becoming harder every day. Many folks are struggling as food and gas prices are rapidly increasing. Our thoughts are becoming consumed with how to pay for daily necessities.

What should we do? Let's go to the Bible. You would assume that the Bible would list our basic needs in life as our FIRST priority. But instead Jesus says, "Seek FIRST the Kingdom of God and His righteousness, and all these things will be added to you." Yup, Jesus reversed the order! He said we need a right relationship with God FIRST, and then He'll take care of the rest. He concluded with these encouraging words, "Therefore, do not be anxious about tomorrow." Let's face it, we all have a tendency to become anxious and worry. Read Matthew 6:25-34 to find out how Jesus calms

and encourages us all. He specifically reminds us to have faith in our Heavenly Father because God knows our needs. As the old hymn written in 1904 goes, "God will take care of you . . . through every day o'er all the way!"

We are grateful for the recent opportunity we had at this year's VBX (Zoomerang) to share the Good News of Jesus Christ with kids. Thank you to all who helped and to the parents for sending their kids! We pray that some kids came to believe in Jesus as their Lord and others, who know the Lord already, love and trust Him even more. Romans 1:16 says, "For I am not ashamed of the gospel, for it is the power of God for salvation to everyone who believes." This is why we do what we do!

Happy July 4th everyone! Here is some interesting history on America the Beautiful: On July 4th, 1776 the population of our original 13 colonies was a whopping 2,500,000. The first July 4th celebration took place at the White House in 1801, hosted by President Thomas Jefferson. (This is only one year before our church, The Baptist Church of Northville, was founded.) At that time our country had more than doubled in size to 5,475,787. According to [usafacts.org](http://usafacts.org) our country's

current population is 37,599,000, which is 135+ times more than when our country was formed in 1776.

Our country's first president was George Washington who served eight years (April 30, 1789 - March 4, 1797). Reading Washington's humble written prayers is a great blessing. He was a great man of God and was a man of constant prayer. I especially like this quote by him, "It is impossible to rightly govern a nation without God and the Bible." This is probably the biggest problem facing our nation right now. We desperately need a spiritual re-awakening; to repent and turn back to our Creator and faithful God.

Praise God . . . He is our helper! "If my people who are called by my name humble themselves, and pray and seek my face and turn from their wicked ways, then I will hear from heaven and will forgive their sin and heal their land." (2 Chronicles 7:14)

If God is speaking to your heart and you know you need spiritual guidance, please contact Pastor Larson at 518.863.8001. He has a heart for God, cares for folks, will pray with you and give you guidance from God's Word.

Our summer schedule is:

Sunday:

Sunday School 8:45 a.m.

Worship 10 a.m.

Evening Service 6 p.m.

Wednesday:

N'ville Food Pantry 10 a.m. BCON Corner.

Thursday:

Prayer Meeting 6 a.m. & 7 p.m.

You can check us out on-line at [bconny.org](http://bconny.org) or on our Facebook page Baptist Church of Northville NY or on You Tube.

## EDINBURG UNITED METHODIST CHURCH

3 North Shore Rd, Edinburg

Sundays 9:00 A.M.

Stephanie Schrom  
Certified Lay Pastor

### CELEBRATE

July is here and we have accomplished much this past year. Our faith community is small and we give thanks that we have been able to give a large contribution to support our worldwide relief agency called UMCOR. This agency assists communities in times of floods, tornados, food shortages, fires, homeless and other needs related to the disruption of life. We have been given money to support our yearly scholarship fund for a Northville student who went to school in Edinburg. We are able to give a generous amount of food to the local food bank and with our weakly contributions are able to pay our monthly bills.

July 4th is INDEPENDENCE DAY: A National Holiday to celebrate our independence from being ruled by England. We continue to celebrate the FREEDOM that has been fought for us. GOD BLESS AMERICA.

July is also the month when Edinburg will have their Edinburg Day activities through out the town. The Church will have the doors open for visitors. This church was established by a Revolutionary War Soldier named "Jesse Barker". A historical marker is placed in front of the church. The actual Methodist Society was organized in

1815 and it was not until 1836 that the colonial church was erected, with an addition in 1942. Throughout the years much has been done to keep the building in good repair. Of interest to many is the beautiful Japanese Bunka embroidery work of "The Last Supper" made by Lillian Vedder in 1985. This work of art is hung over the Pump Organ dated 1903. Other wall hangings are a Chromolithograph of the Holy First Family, a painting titled "From Jerusalem to Jericho" and "Jesus in the Garden of Gethsemane". There will a bucket for your requested prayers. Each prayer will be prayed by our Lay Leader.

Church worship is every Sunday at 9:00 AM. In Colossians we are reminded to clothe yourselves with compassion, kindness, humility, meekness, and patience. Mostly above all clothe yourselves with love. WELCOME, JOIN US.

### PICKLE IN THE PARK

**Pickle in the Park** is a pickleball & tennis membership club in **Sacandaga Park**. There are 5 outdoor courts and a heated indoor court for winter and rainy day play. Access to the courts and parking is off Rt30 on the East side, at the 45mph sign just North of McKinley Avenue. We play most summer days – weather permitting. Out-of-town guests can play for a daily fee. All you need to play is proper court shoes and a paddle. Club members provide informal skills development for newbies. An intermediate level coaching session is held once a week, usually on Tuesday morning. Open intro sessions are held on Saturday morning – please call the number below first. The rules of the game are easy to learn and there are lots of instructional videos on U-Tube. You can play singles or doubles, recreational or more competitive. Playing schedule info and membership communication are through a phone app called Heja. The Summer outdoor membership fee for 2022 is \$175; combined summer and winter/indoor fee is \$300; the daily guest fee is \$10 per day/person. For further info call Willem at 518 332 6896.

Northampton United Methodist at Fish House invites you to join us as we seek to share God's love as revealed through Jesus Christ. We welcome all to join us for a time of hearing God's word, singing the hymns of faith, and having fellowship with one another. We are a historic congregation located on the shore of Great Sacandaga Lake.

**Sunday Services at 9:00 AM**

**Coffee Hour at 10:00 AM**

The pastor also has a Daily Photo Devotion available by email, contact him at revdavid76@gmail.com to be added to email list.

## Dealing with Bad News

Some days it seems like all we hear about is bad news. There is the conflict in Ukraine, there are mass shootings, economists are talking about the possibility of a recession. On top of all this for many there is all the bad news of the struggles of daily life. It can be downright depressing, in fact we are seeing a record numbers of individuals dealing with depression. What are we to do? First of all, if you are dealing with persistent depression, I would encourage you to seek professional help. I would also suggest that each of us can improve our health and outlook on life by simply saying thank you. It may sound simplistic but it is a practice that has been proven effective by religious leader and medical professionals. The process of each day taking time to record what you have to be thankful can have a positive impact on our spirit, mind, and body. A study preformed in a hospital treating patient's with heart failure divided the patients into two groups who received identical medical treatment except for one group being asked to each day record in a journal three things they were thankful for. The group keeping a journal of things they were thankful for did significantly better.

## From Previous Page

There is much to be thankful for even in the midst of all this bad news. A stroll through one of our parks reveals the glory of this world God has given us. Time spent with our children full of energy and joy is infectious. Gathering together with people of faith reminds us that we are not alone in desiring for things to be better.

I invite you to try keeping a Gratitude Journal. I am certain that it will be a blessing for you.

In addition to caring for our own health, I also believe we have an obligation to seek to make this a better world by sharing God's love with our neighbors. For me, part of sharing God's love is using the power of the ballot box to elect individuals whose actions are going to be motivated by doing the loving thing for others, even if it is costly for them.

## Summer Visitors

Hummingbirds have unusually long lifespans for organisms with such rapid metabolisms. Though many die during their first year of life, especially in the vulnerable period between hatching and fledging, those that survive may occasionally live a decade or more. Among the better-known North American species, the typical lifespan is probably 3 to 5 years.

Hummingbirds are birds native to the Americas and comprise the biological family Trochilidae. With about 361 species and 113 genera, they occur from Alaska to Tierra del Fuego, but the vast majority of the species are found in the tropics. They are small birds, with most species measuring 3-5 inches in length. The smallest extant hummingbird species is the 2.0 in. bee hummingbird, which weighs less than 0.07 oz. The largest hummingbird species is the 9.1 in. giant hummingbird, weighing .63–0.85 oz. They are specialized for feeding on flower nectar, but all species also consume flying insects or spiders.

Most North American hummingbirds migrate southward in fall to spend winter in Mexico, the Caribbean Islands, or Central America.

For nutrition, hummingbirds eat a variety of insects, including mosquitoes, fruit flies, gnats in flight, or aphids on leaves and spiders in their webs. The lower beak of hummingbirds is flexible and can bend as much as 25 degrees when it

widens at the base, making a larger surface for catching insects. Hummingbirds hover within insect swarms in a method called “hover-hawking” to facilitate feeding. They also have an enlarged hippocampus, a brain region facilitating spatial memory used to map flowers previously visited during nectar foraging.

# Edinburg School Happenings

by Michelle Ellis, Superintendent

## Farewell to the 2021 - 2022 School Year

On Thursday, June 23, students, teachers, and staff celebrated the end of the 2021-2022 school year with our annual "walk out". Students, teachers, and staff lined the hallways and front entrance with pom poms shaking and music playing to bid farewell to another amazing school year. We surely hope everyone has a safe and wonderful summer!

## An Eagle Eye on . . . "

Students in grades PK through 2nd grade are honored monthly for their great character, being a good friend to their peers, making great choices, and displaying great work ethic in class. The teachers and staff at ECS think you are doing a fantastic job! Keep up the hard work!

Edinburg Common School District would like to congratulate the following students for being Student of the Month for May and June 2022:

### May

PK - Addilynn Edwards-Briskie  
K - Natalie Frasier  
1st - Katie Frasier  
2nd - Addison Brownell

### June

PK - Mason Karas  
K - Paisley May  
1st - Quinn Dame  
2nd - Tori Seeley

We would like to congratulate the following students that have been identified for being named to Honor Roll/High Honor Roll in grades 3rd through 6th for the 4th quarter. We are so proud of you all!

### Honor Roll 89.5-94.4

Willow Rajczi  
Kilian Whittaker  
Searria Edwards  
Madysan May  
Gabrielle Hutchins  
Emily Karas

Brayden Shults  
Iris Ward  
Isabella Sweet  
Michael Wagner  
Eastyn Ward  
Kendra Finley  
Michael Finley

### High Honor Roll 94.5-100

Jeanette Hand  
Dane Roberts  
Mackenzie Roberts  
Amelia Goodbread  
Porter Brownell

### Retirees -

Mr. John Atherton and Mrs. Peggy Trzaskos

Edinburg Common School would like to honor Mr. John Atherton and Mrs. Peggy Trzaskos for their dedicated years of service. Both Mr. Atherton and Mrs. Trzaskos have been with the district long enough to see many generations of our families come through the Edinburg Common School District. Their years of dedication to ECS will be remembered for years to come and we will truly miss them both!

# 518-882-9145

Mr. John Atherton

Mrs. Peggy Trzaskos

Should you want your child to participate and they haven't signed up yet, please call the main office at 518-863-8412.

We also have the Healthy Kids Summer Daycare Program available for families in need of afternoon care. The Healthy Kids Summer Daycare Program will be in session from Wednesday, July 6th through Thursday, August 4th. Students will attend programming from Monday through Thursday from 12:00 PM to 4:00 PM. Please call the main office for further details on how to register with Healthy Kids or visit the following link to sign-up:

<https://www.healthykidsprograms.com/edinburgsummercamp>

### "Summer Fun Learning Program"

We are excited to have the summer enrichment programs for our students once again. It is now more crucial than ever to offer our students learning opportunities during the summer to decrease regression in learning and to close learning gaps. The summer fun program will be in session from Wednesday, July 6th through Thursday, August 4th. Students will attend programming Monday through Thursday from 8:00 AM to 12:00 PM. Students will be exposed to all subject areas with Mr. Moore, Mr. Schaperjahn, and Mrs. Wendy Ferguson. Physical activity outside, a healthy snack, and transportation will be provided to and from school for in-district students.

## Concerts in the Park

If you enjoyed the Concerts in the Park last summer, you can start looking forward to Summer '22. The SVAN Music Committee's Don Hoffman has put together an incredible summer series.

The Concerts will begin on July 2nd and provide great entertainment in the beautiful Northville Waterfront Park every Saturday evening from 6-8 until August 27th. Some of your favorites will be returning along with some spectacular new talent. The donations from concert goers, local businesses, New York State and local governments allow SVAN to bring quality music to the Sacandaga Valley. The schedule includes Americana, Irish, Contemporary, New Orleans Jazz, Zydeco, Classic Rock and Roll, Bluegrass and Classical music. Here's a quick glance.

July 2 – Sirsy - Sponsored by Park Marine Base

July 9 – Reggie's Red Hot Feet Warmers

Sponsored by Klippel's Kozy Korner

July 16 – Everest Rising Sponsored by Fulton Co. Center for Regional Growth

July 23 – Get Up Jack - Sponsored by The Flower Barn

July 30 – Electric City Horns Sponsored by Cynthia Gifford, Realtor Howard Hannah Realty Services

Aug. 6 - Captain Squeeze and the Zydeco Moshers Sponsored by The Town of Northampton

Aug. 7 - 3:00 Caroga Lake Music Festival Mayfield Presbyterian Church - Sponsored by SVAN

Aug. 13 - Two Shoes Trio - Sponsored by The Village of Northville

Aug. 20 – Sidetracked - Sponsored by The Northville Liquor Store

Aug. 27 - Bluz House Rockers - Sponsored by CDL Insurance

Other concert supporters include The Red Barn, Just Because Boutique, Hoy Insurance, and Jay's Village Pizzeria.

Saratoga Arts made this program possible through the Community Arts Regrant Program, funded by the New York State Council on the Arts with the support of the office of the Governor and the New York State Legislature.

## BEST FUNDRAISING EVENT EVER FOR THE SPC !!

On June 11 the SPC held a fundraising golf outing at Rolling Hills Country Club in Fort Johnson. We enjoyed a beautiful day of good weather, cold drinks, good eats and some great and not so great golf. Most of all everyone had FUN ! We would like

to thank the staff at Rolling Hills, Joe Carville, Kassandra Tesiero and the rest for a great day. Our mission is to maintain lake access to all users, protect the environment and enhance the economy of the Great Sacandaga Lake community. Without your support and the support of our sponsors we would not be able to continue our mission. A special thanks to our major sponsors, Our premier The Lanzi Family Restaurants, our major sponsors, Fuel and Food, Brown's Collision & Ford, Empire Wine, Environmental Design Partners, New Country Toyota, Mackey Auto Group, our Gold sponsors Doc's Marina & the Becker Family, our Bronze sponsors Allen & Palmer, Hawk Well Drilling, Whitaker Appraisers, Thompson's Marina, Lexus of Latham and NLH Property Management.

We can't thank everyone enough for making this the best single event fundraiser in the history of the SPC. Thank you all for contributing and the hard work of our Golf committee.

Thanks again to everyone who contributes to the SPC in one way or another throughout the year. Remember "It's All About the Lake". We continue to strive to protect the environment, the economy and the access to the GSL so that everyone can continue to enjoy the lake and create lasting memories.

See next month's issue for results and a list of all those that contributed to make it a successful day.

Summer is here! The kids had their last day of school this past Friday and just this morning (Tuesday), hopped on a plane with Janice and Bill to spend 2.5 weeks in Key West. They have been talking about it for months. Lucas is Bill's fishing mate and Acadia and Janice like to go shopping and get their nails done. It is going to be weird without them. They have a jam-packed summer planned (mostly because Jeremy and I have to work so much during this time). They have Church camp in VA with my sister for a week, a camping trip with my side of the family, then 2 weeks at Camp Pinnacle. I'm admittedly a little jealous.

During the time they are home, the kids often come into work with us. They sweep floors, clean trucks, clean windows, etc. Yesterday, Lucas and Acadia made poop notes/pictures and left them on everyone's chairs (even in the trucks). Lucas also wrote "POOP" on the sidewalk in enormous letters for customers to enjoy when they came in. He got in trouble for that one. I guess I was distracted and they were bored. They don't often conspire together, but apparently bathroom-related humor is fun for all.

We (Hawk staff) are all very excited about a factory tour we have planned for next week. Hawk Drilling has been using Flexcon fiberglass pressure tanks for decades and at the last Empire State Water Well Drillers Association (ESWWDA) meeting, a rep from Flexcon was there – which is not typical. I asked him if we could tour the factory. He said he can do better than that – apparently, they take the staff out to dinner, put them all up in a hotel, take them to a Red Sox game (where they have a box), then do the tour the following morning! WHAT?!?!? YES and Thank YOU! I don't even need a sitter because the kids are with the grandparents.

Well, I have to get back to work. I hope everyone is having a wonderful time on the lake. The last few weekends have been blissful. I hope you all have sun-soaked fun.
